

Oral Polio Program Locations Selected

13 Quad-City Centers;
Vaccine To Be Delivered
In March By Helicopter

Locations of 13 Quad-City polio immunization centers for the March 8 and May 3 mass oral vaccine campaign were announced today by Dr. Nina Bigley, chairman of the county chapter of the March of Dimes.

A helicopter from Scott Air Force Base will transport the vaccine here and to other centers in the county. The vaccine will be available to anyone six weeks old or older, and Mrs. Bigley said no one will be refused. "For those who can pay, there will be a 50-cent donation fee, but no one will be turned down because of a lack of funds."

Between 500 and 1000 volunteers will aid in the program including members of the Quad-City Medical Society, the Madison-Schlesinger Association and registered nurses. Hours for the centers will be announced shortly, Mrs. Bigley said.

The vaccine will arrive from laboratories at Pearl River, N. Y., on March 6 and will be stored at St. Elizabeth Hospital until the March 8 clinic date. Mrs. Bigley reminded Quad-Cityans to also take advantage of the May 3 date since two dosages are necessary for immunization.

Locations Of Centers

Locations of the centers in the Quad-City area are: Ford school, 2040 Johnson road; Wilson school, 1400 Wilson avenue; Marshall school, Marshall avenue and Victory drive; Peabody high school, 2300 West 23rd street; Granite City senior high school; Namekoi school, 1620 Ponton road.

Mitchell school, Highway 66; 440; Stallings school, Route 162; Emerson school, 20th and Benton streets; Webster school, 25th and Kate streets; Madison Memorial Recreation Center, Seventh street and Lee avenue; West Madison Recreation Center, West Third street and Washington street; and the new city garage in Venice.

Centers also are to be set up on the same days at Edwardsville and Highland, Mrs. Bigley said.

Car Hits Wrecker Truck

A car driven by Emil Rotzschke, 28, of 2111 Bryan avenue, struck the left side of a wrecker truck driven by Jim Marsh, 30, of 2711 S. Main street, at 12:45 p.m. Wednesday at 20th street and N. Missouri avenue. Rotzschke had just made a left-turn stop before entering the intersection. Both vehicles were damaged.

BIRTHS

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. Gary Pigot, 2042 Harris street, Madison, Feb. 3, Shawn Lynn, nine pounds, four ounces.

Mr. and Mrs. Franklin Bickel, Collinsville, Feb. 5, Penny Lynn, seven pounds, one ounce.

Mr. and Mrs. John Wise Jr., 1229 Oriole street, Venice, Feb. 5, Teresa Ann, six pounds, seven ounces.

Mr. and Mrs. Jerry Kunick, 1940 Adams street, Feb. 5, Judith Elaine, five pounds, four ounces.

Mr. and Mrs. Edward Henke Jr., 1377 Courtney drive, Feb. 5, Christine Denise, six pounds, 11 ounces.

Mr. and Mrs. Jorden Hutchinson, Mitchell, Feb. 6, Jennifer Lynn, eight pounds, 12 ounces.

Mr. and Mrs. Bernard Jackson, Rural Route One, Feb. 6, seven pounds, 14 ounces.

Mr. and Mrs. Dale Durbow, 3714 Joyce avenue, Feb. 6, eight pounds, five ounces.

BOYS

Mr. and Mrs. William Hoppe, 2815 Edwards road, Feb. 6, William Francis Jr., eight pounds, 11 ounces.

Mr. and Mrs. Gregory Martin, 2152 Benton street, Feb. 6, Terrence Edward, nine pounds, 10 ounces.

Mr. and Mrs. Richard Sutton, 2106 Lee avenue, Feb. 4, Richard Craig, six pounds, nine ounces.

Mr. and Mrs. Gary Phelps Jr., 2208 Wilson avenue, Feb. 4, Timothy Alan, seven pounds, six ounces.

Advantages Of Port Of GC Not Just Temporary

Deep Water Remedy;
Difficult To Assess
Problems Elsewhere

(First of a series)
"The best harbor on the Mississippi River."
This description of the Granite City waterfront is receiving increasing attention this winter due to several developments:

1. Dedication of the newly-expanded Bi-State Agency public terminal.
2. Continued improvement of transportation links with the adjacent harbor area, which is scheduled for development by the Tri-City Regional Port District.
3. The boom in local shipping activity, partly due to transfer of Missouri-Illinois deliveries from the St. Louis riverfront, which is plagued with a low water problem as well as occasional wintertime ice. The severe drought and winter have closed all public docks in this area except Granite City.
4. Population gains in the metropolitan area served by the local harbor.

The fact that an 18-foot harbor depth here is guaranteed by the recently-completed low water dam, and the fact that water at other wharfs in the region appears to be impossible or extremely difficult to solve (although the end of the drought will bring some relief).

Not effect of the series of developments is that the Port of Granite City is now "on the map" as a viable port.

The developments listed are all of recent origin.

The fact that an 18-foot harbor depth here is guaranteed by the recently-completed low water dam, and the fact that water at other wharfs in the region appears to be impossible or extremely difficult to solve (although the end of the drought will bring some relief).

Not effect of the series of developments is that the Port of Granite City is now "on the map" as a viable port.

The developments listed are all of recent origin.

Enforcement Of Curfew Ordered In Rural Areas

Madison county Sheriff Barney Fraundt has ordered strict and immediate enforcement of curfew laws in unincorporated areas of the county.

Penalties for violations will be assessed parents or guardians permitting violations. They will be subject to fines of not less than \$10 nor more than \$100.

Popular Gal, Resusci-Anne, To Get Twin Sister—Soon

Quadracy vital statistics won't record this arrival — a twin sister for "Resusci-Anne," the most popular gal in town. She's been "kissed" by nearly 20,000 persons in three years.

In case you haven't met her, "Resusci-Anne" is the Quad-City Safety Council's life-size model used for instructing the method of mouth-to-mouth resuscitation. And at least three persons upon their lives to the brief encounters that Quad-Cityans have had with the gal since she was purchased at a cost of about \$175.

Rates Being Figured

Final plans for Granite City's \$1,715,000 sewage treatment plant are to be ready by May 15 for the call for construction bids, it was reported by a Granite City council Monday night.

Charles W. Moerlein, chairman of the council's Special Pollution Committee, said an intervening step will be conferences with representatives of major industries to determine the setting of rates to be charged householders, businesses and industries.

He read a letter from Nicholas P. Veeder, president and board chairman of Granite City Steel Co., in which Veeder asked the council for concrete assurance that the treatment plant site at the city's Army Depot has been prepared, and

Davis Appoints Engineer For 30 Days

Johnston Gets New Title
After Council Rejects
Consultant Contract

Unable to get sufficient council support to award a \$5000-a-year consulting engineer contract to David J. Johnston & Associates Monday night, Mayor Davis announced Tuesday morning that he was beginning 30-day appointments of Johnston as city engineer.

Davis said details of the pay and type of work to be done by the engineer have yet to be worked out, but that Johnston's firm would no longer handle city motor fuel tax improvement projects other than to complete those which the firm has started. He notified yesterday by letter, saying that Johnston's first 30-day appointment would end Monday.

Questions asked by aldermen who last week lacked one vote in approving Johnston's resignation, a resolution calling for council committees to submit names of possible city engineers to the mayor, are "What will be the pay for the city engineer and what will the city receive in services?" Several are thinking of asking for a special meeting since the council does not meet again in regular session until Feb. 17.

Mayor Davis told the Press-Record the pay for the city engineer will be the same as the consulting engineer, \$5000 a year, and that Johnston will continue to assist A. W. Pearson to the Granite City office as resident.

Field Crews To Go

"He will take away the field crews and we will go to work for any work they do for the city," Johnston used to say. Johnston used to say that he had the city motor fuel tax engineering contract, the mayor said, adding that exact details of the contract were not known.

The 30-day appointments of Johnston will be continued for the remaining 15 months of his term as mayor, Davis said Tuesday morning.

Since being notified of the appointment, several aldermen plan to question the legality of the 30-day appointments since the city had no previous city engineer contract. Under state law, a city engineer cannot also be a city engineer for motor fuel tax projects, Davis said he would appoint a new motor fuel tax engineer when the need arises.

Currently there are few motor fuel tax projects.

She's Saved 3 Lives

Quadracy vital statistics won't record this arrival — a twin sister for "Resusci-Anne," the most popular gal in town. She's been "kissed" by nearly 20,000 persons in three years.

In case you haven't met her, "Resusci-Anne" is the Quad-City Safety Council's life-size model used for instructing the method of mouth-to-mouth resuscitation. And at least three persons upon their lives to the brief encounters that Quad-Cityans have had with the gal since she was purchased at a cost of about \$175.

Levee Board Also Has Sewage Plant Troubles

The East Side Levee & Sanitary District may be sued by contractors waiting to begin construction of the district's half-million dollar sewage treatment plant near Calokita, it was announced during last night's levee board meeting in East St. Louis.

A surprise announcement also was made by trustee John Moll, who submitted his resignation, effective immediately.

Atty. Harold G. Baker Jr., told the levee board that two Michigan firms, including the general contractor, may file suit to rescind the \$346,900 construction contract which was signed last July 17.

Baker said his clients believe the levee board has been too long in issuing a notice to proceed with the work and they have suffered financial losses because of the delay.

The firms are Chase Co., Harper Woods, Mich., the general contractor, and General Piping, Inc., Farmington, Mich.

Delay Is Costly

Accompanying Baker at the meeting were William Chase, partner in the Chase Co., and Albert Weiss, president of General Piping. Neither addressed the board last night. Baker said.

Field Crews To Go

"He will take away the field crews and we will go to work for any work they do for the city," Johnston used to say. Johnston used to say that he had the city motor fuel tax engineering contract, the mayor said, adding that exact details of the contract were not known.

Firemen Carry 2 Men From Blazing Rooms

Two men, both overcome by smoke, were rescued from their blazing two-room apartment, today by Granite City firemen.

The men, Edward Lee Wyatt, 30, a trucking firm employee, and Calvin Douglas Shepherd, 26, a Laclede Steel Co. Madison plant worker, are in fair condition at St. Elizabeth Hospital where they are being given treatment for smoke inhalation.

Neither man was burned. Firemen, after carrying the men outside, gave them oxygen from inhalators until ambulances arrived. Both men still were unconscious when they arrived at the hospital emergency room.

**Firm Interested
In Madison Plant
Site, Council Told**

H. W. Protzel & Co. of St. Louis, management consultants, informed the Madison city council Tuesday night that it has contacted a manufacturing company which is "very interested" in locating a factory in the Madison area on a long-term lease basis. The name of the firm was not disclosed.

The city of Madison has offered to construct plant facilities within a five-mile radius of the city for any firm interested in locating here, with a proposition to either sell or lease the facilities.

The Protzel firm, which was retained at \$1000 per month to handle the proposition, said a meeting with the company was scheduled for last Tuesday, and that E. G. Schmitt of Illinois Power Co. was asked to attend, as he is acquainted with available sites.

Mayor Stephen Maeras did not attend, since he is at home recuperating from throat surgery undergone last week at a St. Louis hospital. He missed the meeting, which was conducted by Third Ward Alderman Ray Kozielek as mayor.

The Protzel letter was placed on file until the mayor is available to consider the proposal with his committee.

Storm Sewer Project

The council transferred \$50,000 from the Chain of Rocks Bridge fund to a special revenue fund for use in connection with the city's storm water sewer project.

More than half of the project is being financed by the Federal Highway Administration, which is the lead agency. The project is being financed by the Federal Highway Administration, which is the lead agency. The project is being financed by the Federal Highway Administration, which is the lead agency.

Truck Sideswiped Car

Jack Angle, 2420 Edison avenue, reported to Granite City police that his 1963 auto was sideswiped by a hit-and-run pickup truck at 8:40 p.m. Monday in front of his home. The side of the car was damaged.

Burglary Suspect Chased But Escapes

Businesses, Church,
Apartment, Shed, Cars
Entered By Thieves

A tall young burglar who has been active in the Madison-Venice area prompted an intensive search and a chase by officers of the two departments Monday night. He escaped by climbing through a residential basement window and fleeing from the other side of the house.

Officers were alerted at 9:35 p.m. Monday when Irene Tawney, 1212 Market street, Venice, saw him attempting to open a window on the west side of her home. When he changed his mind and went instead to a house next door, she telephoned for police.

As a Venice officer checked the 1200 block of Market, he saw the suspect running north on Selb street and gave pursuit being told by a passerby that the man was wearing a leather jacket.

The chase continued down Selb and an ally to the home of Joe Hampton, 1218 Logan street, where the suspect entered a basement window on the east side. After the house was searched, it was determined that the escape was made through a west basement window.

The Madison police dog aided in the search of the neighborhood.

Confessionary Burglary

Charged with the sale of postage stamps, an undetermined amount of cigars, a used transistor radio and a day transmitter radio battery, a man in a burglary at the B & A company, 3000 Buxton avenue, during the night, it was reported at 7:55 a.m. today by a police officer.

Entry was gained by prying open a porch screen door at the rear of the building, then breaking into the building through a rear door window and reaching in to unlock it.

An undetermined amount of change and merchandise was taken from cigar and candy machines in a burglary during the night at the Granite City pool hall in the 1900 block of State street. It was reported to police at 10:05 a.m. today. Entry was gained through the rear door which had been braced by two boards under the door knob.

72-Inch Of Rain Recorded This Morning

Rain which fell last night and up until 8 a.m. today measured 72-inch at the gauge maintained by the Corps of Engineers at the Chain of Rocks locks.

Coupled with 64-inch recorded Feb. 1, there are prospects for Quad-City might receive its normal share of precipitation for February, which is 2.04 inches. In January only 57-inch was recorded, while the normal amount is 1.98 inch.

23rd-Delmar Accident

Autos driven by Richard N. Donatovich, 27, of 2242 Cleveland, and Richard L. Cobb, 17, of 2440 St. Louis street, collided at 5:15 p.m. Wednesday at 23rd street and Delmar avenue. Cobb said he did not see the other car as he entered the intersection from the Delmar stop sign. The front of the Cobb car hit the rear of the Donatovich car. The left front of the other auto was damaged.

GC Relief Costs Show Sharp Drop For 11 Months

The Granite City township relief office with 120 cases including 110 persons in January, closed 39 cases, but reopened 19 cases and accepted 21 new cases during the month.

Relief costs in the township for the current fiscal year which ends Feb. 29 are amounting to \$59,656. In the same 11-month period last year, the total relief cost was \$106,000.

The 120 cases with 419 persons and costs of \$56,419 for January, 1963, to 111 cases with 375 persons and \$59,656 costs during December. In January 1963, there were 182 cases with 566 persons and costs of \$13,724.

10 Undergo Surgery At St. Elizabeth Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week:

Billy Smelser, 4019 Braden avenue; Patricia Hoppe, 2815 Edwards road; Jimmy Ortiz, 3101 Kirkpatrick Homes; Ernest Rouland, 2628 Benton street; Lester Lionberger, 1543 Third street; Madison; Sherry Morgan, 2622 Denver street; Cyrus Seagren, 2919 East 25th street; Clarence Northrup, 2200 Woodlawn avenue; Patricia Wargin, 3242 Westchester drive; Lorraine Davis, Lovejoy.

GC Rotary Club Observes Nat'l. Boy Scout Week

In commemoration of National Boy Scout Week, a review of the history of Chokila Mound Boy Scout Council was given by three council past presidents, two of them Rotarians, at Tuesday's luncheon meeting of the Granite City Rotary Club, held at the YMCA.

The speakers were G. W. Hoelscher, one of the founders of scouting in Granite City; George T. Wilkins, who was council president during the 1950s, and G. H. Sternberg, president of the council during the early 1960s.

Hoelscher recalled that the first Boy Scout troop was organized here in 1913 by a small group of men including W. Carl Graham, former Rotarian who was unable to attend the meeting Tuesday, and W. R. Webb, principal at Washington grade school.

The first summer camp was in 1917 at what later became Camp Rankin in the Ozarks. In 1920, a Scout council was formed and, subsequently, the same small group of civic leaders founded the Granite City Rotary Club.

It was during Hoelscher's term as council president that national headquarters inspected a lake near Camp Rankin and ordered the council to move its camp because of the dam's condition.

"We had no choice," he said, "and sold the camp for around \$9000 to a religious denomination. It is one of my disappointments that we could have stayed there; the dam is still intact today."

After moving to other temporary summer camps at Carlyle and Litchfield, the council now has an exceptionally fine facility at Camp Sunn.

Accelerated Growth

Wilkins described the growth of scouting to the 1950s, when registration reached 1800 with an annual budget of \$19,000. Camp attendance grew from 68 to more than 400.

The fastest growth of the council has occurred in the "scouting sixties," Sternberg related. Camp attendance exceeds 800 and there are 3800 boys in scouting, plus 1717 adult leaders "who not only" give their time to the movement but also have developed excellent capabilities through training programs of their own.

Scout executive Eugene Cox, pointing to the growth by decades since 1915, predicted 4500 scouts by 1965 and 6000 by 1970. "This means there is a big job ahead of us, but I'm sure all problems will be solved when groups of men such as you have so much interest in boys' work."

A. C. Stoeber was program chairman. A letter of appreciation was received from the city of Granite City for the Rotary Club's gift of an inhalator and rescue vehicle, bought by the club from proceeds of its Horse Show. A visitor from the Philadelphia Rotary Club also presented President James Louis with a club flag by way of greetings from Philadelphia.

Intergovernmental Conference Set For Area Officials

Mayor Arthur Naftalin of Minneapolis, will speak Feb. 29 at a one-day conference sponsored by Southwestern Illinois University's Public Administration and Metropolitan Affairs programs.

Invited to the meeting, to be held at Sunset Hill Holiday Inn, will be elected trustees, commissioners, councilmen and aldermen of all municipalities in Bond, Madison, Monroe and St. Clair counties. Also included will be representatives from the Bi-State Development Agency, the new Southwestern Illinois Metropolitan Area Planning Commission and the Southwestern Mayors.

Theme of the workshop will be "The Local Legislator and Intergovernmental Relations," according to Seymour Z. Mann, director of the SWIU program, with particular emphasis on developments as they are emerging in this southwestern Illinois area.

Mayor Naftalin, the luncheon speaker, is a member of the executive committee of the American Municipal Association and a member of the Advisory Commission on Intergovernmental Relations.

"As featured guest," Mann said, "the mayor will bring to the meeting an extensive background as a journalist and political scientist, for he has written many articles and has lectured widely in the fields of social science, education and politics."

Small workshop discussions dealing with specific community experiences and special intergovernmental approaches pertinent to southwestern Illinois are planned for the afternoon program.

years old. A color, sound film to explain her virtues also is to be bought at a cost of \$150.

Besides "fathering" the twin council took out other business — getting ready for next May's annual safety poster contest for school children and planning a fund-raising campaign among business and industries to finance the "birth" of the second Resuscit-Ann and other programs.

The council will co-sponsor with the Madison County Safety Council a one-day industrial safety conference to be held June 3 in Alton.

Committees for 1964 were named. They will be as follows with the chairman listed first: Programs and Ideas, Alfred Weider, Dr. Harold Kaiser and Clifford Blankenship; poster contest, Dr. Stanley Maer, Madison Police Lt. Emmet Pavia and L. C. Parker; safety education, Don Watson, and publicity, Granite City Police Lt. Paul Mione, William F. Hoelscher and Granite City Assistant Fire Chief Curtis Donkey.

Joseph Grobe's Sister, Mrs. Rose Rake, Dies

Funeral services were held this morning in St. Louis for Mrs. Rose Rake, 64, of St. Louis, sister of Joseph Grobe, 2863 Washington avenue, who died at 7 p.m. Monday at St. Louis' Nursing Home, St. Louis. She had been ill 10 months with a heart condition following a stroke and had been in the nursing home for two months.

She was born in St. Louis and was a member of St. Thomas of Aquinas Catholic Church and Alexian Brothers Hospital. Ladies auxiliary of St. Thomas.

Mrs. Rake's other survivors are: her husband, William F. Rake, Sr., a son, William F. Rake Jr., St. Louis; two brothers, Frank Grobe, Salem, Mo., and Clarence Grobe, St. Louis, and two grandchildren.

Mr. and Mrs. Wm. Hoppe Parents Of Son

Mr. and Mrs. William Hoppe, 2815 Edwardsville road, are announcing the birth of their first child, a son, Monday morning at St. Elizabeth Hospital. The baby weighed eight pounds, 11 ounces and has been named William Francis Hoppe Jr.

Mrs. Hoppe is the former Patricia Sue Mott, a daughter of Mr. and Mrs. William Mott, Highway 162, Mrs. Norma Ann Hoppe, 2915 Edwardsville road, is the paternal grandmother.

VFW Auxiliary 1300 Gives Flag To GS Troop

As a part of its "Americanism" program, Mrs. Joe Rojas, a representative of the Veterans of Foreign War's Auxiliary Post 1300, gave an American flag to Girl Scout Troop 137 Monday night at Emerson school.

Refreshments were served after the ceremony to the 17 girls and their leaders. Leaders for the troop are Mrs. Georgia Telor, Mrs. Faye Morgan and Mrs. M. A. Cochran.

Designs Meerschum Pipes

Turkish Student Here Follows Unusual Trade

Onder Guler, a Turkish student residing in Granite City who specializes in the design of meerschum pipes, is in Chicago this week conferring on a special design to be created for Playboy magazine.

It is to be his second magazine design. He designed a pipe for the Lions Clubs organization and illustrated in the Lions magazine.

Guler, who lives in an apartment at 1010 Twenty-third street while attending the East St. Louis center of Southwest Illinois University, hand-carves pipes to his customers' specifications.

He does some of the work in his apartment, but most of it is done in Turkey if he is able to submit a soap carving.

Some of his special pipes are in the United Nations gift shop, Lord & Taylor's in New York, the 21 Club in New York and a St. Louis department store.

He already has designed some meerschums with replicas of the South Pacific god "Tiki" for the new Trader Vic restaurant in St. Louis, and others may be made for the international chain of Trader Vic establishments.

Guler, who has been here about four years, previously resided at the YMCA where he taught fencing classes, instructing in the traditional art of carving opponents.

Cost Estimates To Be Prepared For Needed Sewers

Authorization was given for cost estimates to be prepared for installation of sanitary sewers in sections of Granite City still having cesspools and septic tanks.

The action was taken during Monday night's council session even though the Special Pollution committee had reported earlier that the treatment plant design engineer was undertaking the work.

Sections of the city for which sewer line cost figures are to be prepared are North Granite and in West Granite along portions of Rock road, West 22nd street, Cayuga street, Denver street, Ohio avenue and Nevada avenue and for Mercer drive in the North area.

Special Improvements Alderman Chas. W. McFarlan, chairman of the Special Pollution committee, reported that sanitary lines are being planned for the areas, but the delay is caused by finding suitable methods of financing. They may have to be by special improvement districts, he pointed out.

The motion was brought up after G. H. Sternberg presented a letter from David McFarlan who is building a new home at 2600 West 22nd street. McFarlan asked if the city could provide a connecting line from the Rock road trunk sewer. If the city would not, McFarlan said he would be forced to install his own disposal system.

Several aldermen pointed out that septic tanks and cesspools are outlawed in the city limits, but it was agreed that the city had the responsibility, but not the funds to install the trunk sanitary sewers in areas without them.

Grand Jury Reports, Odom Goes To Trial

The Madison county grand jury returned 16 indictments and one no-trial bill Tuesday in Edwardsville, and the circuit court followed up Wednesday by opening the trial of Henry Louis Odom, 31, of 136 Viola Jones Homes, Venice.

The indictments were suppressed pending arraignments at 1:30 p.m. Tuesday. The grand jury was selected yesterday and testimony commenced today and was expected to continue through this week in the court of Associate Circuit Judge Austin Lewis.

MORE ABOUT

Advantages Of Port

(Continued from Page 1.)

Tailed records were started by the Army corps, which was given responsibility for maintaining adequate navigation in all inland waters.

Any such discussion necessarily must refer to river depth readings on the St. Louis gauge, which stood at 27 feet this week. Zero is an arbitrary-set mark, later determined to be 3 1/2 feet above mean sea level.

How was zero determined? Old-timers tried to recall the lowest point the river had ever reached. It is not known how good their recollection was, but the gradual lowering since then has rendered the reading meaningless, except for purposes of comparison.

River depth at St. Louis has dropped roughly 12 feet in the past century. This may not seem like much—not quite an inch-and-a-half a year—but is substantial.

Waterfall Was In Prospect—Geophysically speaking, eight or nine centuries is a comparatively short period. Yet a drop of current rate would take 30 or 100 feet in that length of time, creating a tall waterfall at the Chain Rocks rock ledge (approximate location of the new dam).

It is for this precise reason that the low-water dam had to be built. If it had not been constructed, a waterfall of sufficient depth to impede navigation would have developed here by the 21st or 22nd century, authorities believe.

Of course, correction of the waterfall threat here could conceivably null the problem farther south. Next scene of difficulty might be the rock ledge in the Thebes area. But it would be years before such an emergency, and remedial steps would be available.

Channel More Efficient Why has lowering of the low-water plane been accelerating?

The answer lies in the excavators, who make it necessary to make the Mississippi channel efficient in order to carry out their assigned task of keeping it open for vessels.

They stopped part of the river from silting up and halted erosion of the bank. Its flow means it has increased to a total of 84,000 cubic feet per second.

Result has been that Old Man River now cuts deeper. A drop of water may not appear to have much force, but the combined weight of billions and trillions of drops is that the channel is being lowered out to lower and lower levels.

Centrifugal Force Lowering of the river is a key point. Another is what such school boy and girl learns about at an early age—centrifugal force.

A brief look at a map of Missouri and Illinois at St. Louis shows that the river curves outward from the western side. This is a tipoff that the deepest water will always be on the Illinois side at this point, regardless of how many federal studies or hearings are scheduled at the request of St. Louis port operators.

The thalweg, or deepest part of the river, tends to follow the outer part of a curve, by order of Mother Nature. There is general agreement that the concave or Illinois bank will continue to have deeper water than the Mississippi bank in this area.

The Corps of Engineers spends huge sums on river improvements, but not haphazardly. Like other governmental units, it has numerous sets of rules to guide its work. Among these is the dredge rivers along their main channel—not where someone might like the channel to be, but where the channel actually happens to be at the time of the dredging operations.

Points cited in this explanation were among the many factors that led to a decision to create the eight-mile Chain of Rocks Canal in the early 1950s. It was regarded as essential to assure maintenance of the nine-foot channel depth that Congress has specified for the Mississippi.

The Port of Granite City, though non-existent at the time—got two key "breaks": 1. It was decided to dig the canal deep; its lowest excavation was set at 378 feet above sea level.

2. The design took into ac-

Granite City PRESS-RECORD

Thurs., Feb. 6, 1964 Page 3

ROBERT P. ARMSTRONG, Army lieutenant colonel who has assumed duties of deputy commanding officer at the Granite City Army Depot.

New Deputy Commander Starts Duty At Depot

Lt. Col. Robert P. Armstrong, former director of logistics at the Brooklyn Army Terminal, has assumed duties of deputy commanding officer at the Granite City Army Depot.

A native of Connecticut, he entered the Army in 1942 and was commissioned the same year at Fort Benning, Ga. He served in the European theater of operations during world war II and wears the combat infantryman's badge and a bronze star with a "V."

He recently served 13 months in Korea as commanding officer of a transportation depot. His wife, Elizabeth, and twins, Bob Jr. and Patricia, reside with him on the post. The twins, 16 years old, are attending Granite City high school.

E. Madison Drainage Still Twp. Problem

Hope that drainage lines could be built in East Madison to connect onto Madison's new drainage system ended Monday night when Nankeold Township Supervisor Harry Briggs reported the Madison lines will not be close to McCambridge avenue, the dividing line. "They'll be several blocks away," he explained.

In the miscellaneous business conducted by the board of auditors, a \$166 check was received from Road Commissioner Charles Hanks as a motor fuel tax reimbursement for installation of road ditch culverts in State Park place.

Town Atty. Nick Vasiloff was authorized to confer with Assistant State Atty. Joseph Barry on the possibility of obtaining a warrant against a State Park Place landowner on whom it is dumping waste water in drainage ditches.

Bids are to be sought for purchase of four 4-drawer filing cabinets for the relief office, and a one-year contract was approved for maintenance of two adding machines. The Underwood Co. is to be paid \$64 for the service.

Briggs was instructed to attend public hearings on zoning changes to be conducted by the county at 10:40 a.m. next Wednesday at 2710 Pontchartrain road, where Morris Boney is seeking a change from residential to wholesale business, and at 11:30 a.m. at 4300 Nankeold road for a change at the Tri-City Lumber Co. property from residential to general manufacturing.

Mrs. Ronkey's Mother Died In St. Louis

Funeral services were held Monday in Bonne Terre, Mo., for Mrs. Lucie Courtney, 86, of St. Louis, mother of Mrs. Harry (Naomi) Ronkey, 2141 Grand avenue, Mrs. Courtney died Friday after suffering a stroke at home. She had been ill for eight months.

Her husband, Ferdinand Courtney, preceded her in death in 1937. Other survivors are two daughters, Mrs. Vern (Ethna) Chandler, St. Louis, and Mrs. Roy (Dorothy) Stout, Eureka, Mo.; five grandchildren; nine great-grandchildren and three great-great-grandchildren.

count the creation of the rock dam, later installed in the early 1960s.

From the start, there was 12 feet of water at the docksite—the widened area which was provided near the southern end of the canal for development of wharf facilities. Now, thanks to the low-water dam, a depth of 18 or 19 feet has been permanently assured.

The minimum depth has little relation to the river immediately south of the local port. Even if the St. Louis river were falling as low as it could—minus five feet or more—the Port of Granite City would still have its 18 feet of water.

Women, Teenagers Collect \$1936 For March of Dimes

More than 350 women and 20 teenagers collected a total of \$1936 in separate campaigns for the March of Dimes. Mrs. Nina Bigley, Madison county chairman, announced Tuesday.

Mrs. Max Merz jr., chairman of the mothers' march for dimes, said that women in Granite City and Madison collected \$1736 Jan. 26-30, in their march while Mrs. Bigley reports that the teenagers, representing six clubs, took in \$200 Saturday in their door-to-door drive. The Venice Crippled Children's organization gave \$400 to the campaign on Jan. 25.

She said, "There was so much enthusiasm among the young people that they generated competition among themselves to see which club could collect the most money."

Students participating were: George Wille, Richard Whitsell, Charles O'Dell, David Gann, Ronald LeGate, Eric Robertson and Keith Wilson, all of the Roca club; Barbara Gray, Nancy Accola, Bobbie Jo Braden, Jane Craft, Donna Milton, Pat Mitchell and Jackie Grove, all of the Phi Delta Pi club; Marla Tucker, Pat Wilson and Linda Arbetter, all of the Iota Theta club; Elaine Girovise, Henrietta

Tuth and Sharon Hamilos, all of Chi Kappa Chi club; Sharon Koch, Marsha Galloway, Pat Rutkowski, Pam Rosicki and Jan Stroehde, all of the Alpha Beta Chi club; Pat Hodshire and Mary Church, both of Sigma Omega Sigma club.

Others participating were Charlene Graham, Tina Bywater and Sheila Coggins.

Special Services Tonight At Mission

A special service with special music will be held at 7:30 this evening at the Gospel Mission on East 20th street when Dr. Robert Rosenthal of Highland Park will be the speaker. His topic will be "Letters to Seven Churches of Asia."

Mrs. Bethel J. Davis is mission superintendent.

State Slow With Its School Milk, Lunch Payments

School lunch and milk reimbursements to school districts this week by County Supt. William H. Trimpe were slow in coming. The state has received from State Supt. Ray Page. Still pending are the October 1963 payments to Granite City, \$2124 for Madison and \$1316 for Triad schools.

Trimpe said September claims of \$8924 for Granite City and \$2883 for Bethalto also are still unpaid.

School districts report that their claims were filed properly and on time. It was learned that moving of some of the state offices in Springfield is among the factors in the delay.

October payments totaled \$17,139 for lunch programs and \$17,984 for milk. Included in that order were \$287 and \$303 for the Venice district, \$337 and \$461 for Sacred Heart school, \$313 and \$78 for St. Elizabeth school and \$182 and \$52 for St. Mary's school in Madison.

Trimpe also this week certified state aid payments for the 1963-64 school year, based on attendance in the first calendar month of the term. Totals are \$1,718,347 for Granite City, \$480,230 for Madison and \$35,456 for Venice, or \$7,311, 836 for the 15 districts in the county.

Monthly Payments

One-twelfth of these amounts, \$143,195, \$40,018, \$2954 and \$609,319, will be paid as monthly installments for the next six months. In August, adjustments will be made, based on the final figures in June after the close of the school year.

Last year, Madison county schools received \$6,669,372 state aid.

The \$192,252,241 statewide aid figure announced by Page includes two supplemental claims resulting from legislation enacted by the 73rd General Assembly. These are summer school state aid claims amounting to \$20,281 and claims for payment of state aid special equalization amounting to \$290,340. The revision results from court decisions affecting assessed valuation.

Council Also Reluctant On County's Dog License

Let the county collect its own dog licenses was the attitude taken by Granite City council members Monday night after a letter was read from County Treasurer George Musso calling for cooperation and support in enforcing the new state law.

Musso's letter was referred to City Atty. George Filcoff for study of a procedure for collection, but several aldermen suggested it be filed—deep in the file.

The county tax is \$1 for a male dog and \$3 for a female to be collected in addition to the \$1 city license fee for a male dog and \$2 for a female. It will be the job of the township tax assessors to collect the license fee, and Musso suggested the city, as the town board could furnish extra help and extra funds to the assessor to carry out the job.

It was pointed out the city itself collected only \$294 in dog license fees in the 1963-64 fiscal year and that any expense to the city to help would be a loss.

Alderman Gabrielle Bettine reminded council members that her Legislative committee had advised them early last summer of the pending state legislation that would double the tax on city dogs. "No objections were raised," Mrs. Bettine remarked. Alderman Edmund Bartolak said he had opposed the law. Alderman Samuel Whitmer added that area legislators should have studied the law more closely to protect dog owners living in municipalities.

\$769,545 In New Building Started In GC In January

"Twenty-five building permits listing total values of \$769,545 were issued during January by Alder Bloomquist, building inspector, and City Clerk A. L. Stevenson."

A surge of building in the commercial-industrial field, with an assist from new homes, gave construction in Granite City a flying start for the year.

Nine commercial-industrial permits were issued, with values totaling \$653,396. Included were one for the Colonades nursing home for \$460,000 and one for the Nestle coffee plant for \$150,000. Permits for seven new homes, unusual for the season, had values of \$104.

Others included six for remodeling and repairs, \$6000; one home addition, \$3999; one garage, \$650; and a trailer, \$1500. Last January 20 permits were issued with values of \$152,330, while only 12 permits were issued in December with values of \$92,900.

The final permit of January was obtained by Mrs. Hester Johanningmeier, 2540 Lincoln avenue, for general repairs, \$1500.

Dr. J. D. PINEDA, who is opening an office for a general medical-surgical practice at 1322a Niedringhaus avenue.

Dr. Pineda Opening Medical Office Here

Dr. J. D. Pineda, who recently joined the medical staff of St. Elizabeth Hospital, is opening an office in the general practice of medicine and surgery at 1322a Niedringhaus avenue, it was announced today.

Dr. Pineda was graduated from the University of Santo Thomas in Manila, Philippines, with the degree of doctor of medicine in 1956, after serving a year of rotating internship.

In 1957, he served another year of internship at the Lutheran Hospital, St. Louis, after which he had three years of residency in obstetrics and gynecology at St. Louis County Hospital. For the past year, he was a full-time emergency room physician at St. Mary's Hospital, East St. Louis.

Dr. Pineda is married and has two children, aged one and three years old.

Crash Brakes Fail, Cashes Into Tavern

A car driven by Mary L. Sholar, 35, of 428 Weaver street, Venice, crashed into the Tip Top Tavern, 1746 State street, at 5:20 p.m. Tuesday.

She told police that her brakes failed, and trying to keep from hitting a parked car jumped the curb and struck the building. The right front of the car was damaged. Several stones at a side entrance to the building were knocked loose.

Alderman Bettine asked that an adult crossing guard be hired to operate the school crossing electric signal lights at 20th and Benton streets in Madison and Venice.

However, Alderman Donald Partney suggested the \$5000 traffic light installation be equipped with an automatic timer to set the red signal flashing whenever the children cross.

Both proposals failed to get sufficient vote for approval.

Mrs. Bettine pointed out there had been no success in getting school patrol youngsters to operate the light on a regular basis and that many of the children using the crosswalk were too small to use the pedestrian button.

Alderman Ford Johnson commented that if an adult crossing guard is placed at the intersection, the electric signal lights should be relocated to serve the junior and senior high schools.

Police chief Raymond Willard was called upon and he said there had been no complaints received at the police headquarters and that the light and adult guards were placed at the locations recommended by the school safety committee. It also was brought out that the city now had six \$6 a day adult school crossing guards on duty instead of the four originally recommended by the PTA group.

County Building Permits Valued At \$695,000

Construction permits issued in January by the county totaled \$2 million and a value of \$695,150, it was reported this week at Edwardsville by Charles J. Espner, county building official.

It was the same number of permits issued in December.

Of the 52, there were 45 for residences, two for business and commercial structures and the remainder for miscellaneous type buildings.

WCTU Will Honor Founder At Service Friday

A special service honoring the memory of the great temperance worker, Frances E. Willard, will be held in connection with a monthly meeting of the Women's Christian Temperance Union Friday evening at 7:30 o'clock in the home of Mrs. Edith McCasland, 2909 Edwards street.

All members and honorary members are asked to attend.

Parked Cars Pull Switch On Engine

A switch was pulled on an engine near the Niedringhaus rail crossing at 8:55 a.m. today, as parked cars blocked a train.

A complaint was made to Granite City police that the cars were parked too close to the tracks and the train did not have sufficient clearance. The railroad was advised that the cars were on railroad property, and that the railroad had a right to have them moved if it wished to do so.

Fifteen minutes earlier a complaint was received that a car was parked in an alley and blocked the rear entrance of the Town & Country Plumbing Co., 849 Niedringhaus avenue.

Officers again advised that the car was on private property and that the firm would have to take action to have it moved.

Chamber Member Drive Feb. 12

Plans for a one-day membership drive to be led by Paul D. Stout Wednesday, Feb. 12, were announced at a monthly Chamber of Commerce board meeting Tuesday night at the Rose Bowl.

President Chester L. Baker appointed William F. Hoelscher to the board vacancy created by retirement of his father, G. W. Hoelscher, and Dale Arnette, Light Industry Committee chairman, made for J. C. Donnelly, a top authority in the field, to address local businessmen on unemployment compensation.

The Transportation and Highway Committee reported meeting with Mayor Davis and Andrew Gasparovic III, city appraiser for Nameoki road property. The group was told that appraisals are completed and that typing of them was scheduled for completion about Feb. 5. After typing, they are to be forwarded to the Illinois highway division, which is now widening and resurfacing of Nameoki road, a city-state project.

Congressional Action Committee plans outlined by Chairman Samuel Meyer included a meeting Monday to study the bill, an open meeting later, and attendance by a group of six Quad-Cityans at the "arcade" meeting next Thursday in Indianapolis.

Meyer noted a \$4 billion security deficit during the past six years, adding that two more raises in employment tax payments are scheduled and that Congress is discussing a third raise, not equating the effect of gram.

Tourism Promotion Chairman William Thoele said efforts are being made to attract visitors to local tourist attractions, as well as encouraging commercial travelers to stay in this area. The Quad-Cityans also are participating in regional tourism activities, he related.

New Offices Approved
Formal approval of lease of office quarters at 1831 Delmar avenue by the C. of C. executive committee was announced by E. G. Schmitt, Housing Committee chairman. Next step will be arrangements on sharing of costs with the Associated Retailers, which will occupy half the building, followed by submission of a letter of intent to William Brockus, owner. The group was thanked for its effort.

Schmitt, as Industrial Development Committee chairman, reported five new industrial prospects and said the committee has been working with Harvey Prozel, industrial development consultant employed by the city of Madison.

Baker pointed out that each of the committees reporting had been extremely active. He reported on the federal credit bill hearing held in East St. Louis last month, and said a regional planning feasibility study has been referred to the Planning and Zoning Committee, headed by Henry Gabriel.

A Kemper Insurance Group hospital-surgical insurance plan proposed by James Reinhardt was rejected on the basis that it would place the Chamber "in the insurance business." The C. of C. makes a non-cancellable, non-profit plan available to member firms that could not otherwise qualify, and the cost of providing the service is borne by the Chamber, Baker said. There are slightly over 400 accounts.

Plans were made to be represented at the national Chamber meeting April 26-29 in Washington, D. C. Membership for Melvin Allmon, Cities Service agent at Pontoon and Nameoki roads, secured by Jack Dempsey, was approved.

ROSENTHAL'S 1333 19th St. GL 2-3345

GROUND BREAKING CEREMONIES for the new Parkside Manor Apartments of 2700 Center street were held yesterday.

Artists' drawing of the completed two-unit Southern Colonial building is above. At left, Granite City Mayor Leonard Davis takes the first shovel of dirt from the site. Gathered around the mayor, left to right, are Fred Williams, secretary of the First Granite City Savings & Loan Association; Richard C. Kostoff, the developer; Leonard Hopkins, attorney; John Palsen, assistant vice-president of the Granite City Trust & Savings Bank; Von Dee Cruise, tax assessor; and Henry Ross, the builder. The 32 units will consist of four or five rooms and one or two bedrooms with sound carpeting, air conditioning, appliances and a full basement for storage and laundry. Outside features will include a swimming pool, off-street parking, carports, recreation area, patios and balconies. The two bedroom apartments will have 750 square feet, the one-bedroom apartments 750 square feet. The apartments are designed by Scholz Homes, Inc. Developer Kostoff describes the project as "a bold new concept in apartment living with emphasis on luxury and convenience." Digging for the basement began yesterday on the first of the two 16-unit buildings.

Youth, 16, Arrested For Drinking Beer

Jenne James, 16, of 2308 St. Bernard avenue, was arrested by Madison police on a charge of drinking beer at 9:40 p.m. yesterday at the corner of Seventh street and Alton avenue, Madison.

Police said the youth was released on bond and no hearing date has been set. The officer did not know where the youth obtained it.

Rotary Valentine Party

Mike Zilovich entertained with accordion selections at a Valentine dinner meeting of Madison Rotarians and their wives and guests last night at the Rose Bowl. About 40 attended and enjoyed a smorgasbord meal. President Lewis Waggoner presided and Wayne Samnell was program chairman.

Bathroom Fire Causes \$250 Damage At Home

A bathroom fire at the home of Roy Hutchins, 2822 Nameoki road, caused about \$250 damage shortly before 11 a.m. today.

Firemen from the Nameoki station said the blaze apparently started when a child lit a piece of paper on the kitchen stove and carried it to the bathroom.

The fire ignited towels and plastic curtains. The firemen said there was fire damage to the walls, ceiling and door of the bathroom and smoke damage to the kitchen and family room.

Traffic Accidents

Injure 2 Persons

Thomas L. Heidrick, 26, of 4064 Hill avenue, was injured when he struck a switch engine at a rail crossing at 1:10 a.m. Tuesday in National City near the stock yards.

He was admitted to St. Mary's Hospital, East St. Louis, with injuries to the neck and left knee. He is believed by police to be in good condition. A rail crossing watchman was quoted as saying the car was under crossing gates and struck the engine.

Lorraine Antman, 16, of 2204 Glen drive, was injured when an auto driven by Joseph G. Antman, 44, of the same address, struck a car owned by the Moser, 3113 3rd avenue, while it was parked in front of his home at 10 p.m. Monday.

There was no record of treatment at St. Elizabeth Hospital. Antman, who said he misjudged the distance, was charged with careless driving. The left rear of the Moser car and the front of Antman's auto were damaged.

Starch & Refining Co. plant. He reported the theft to Granite City police at 11:20 p.m. Tuesday.

Power Mower Stolen

The old adage that "when winter comes, can spring be far behind" is believed by police to have been in the mind of a house burglar who stole a 22-inch power mower from inside a house at 2232 Nevada during the last three weeks. The theft was reported to police at 2:45 p.m. Wednesday by Odie Ramsey, 2008 Cayuga street. Entry was gained by cutting a piece of plastic covering a rear window.

GC In Home Games, Madison At Roxana

Both Granite City and Madison high schools play basketball games this weekend—the Warriors in a pair of home games and the Trojans in a single road contest.

GC's Warriors entertain the Dupo squad this evening at 7:30 p.m. in the home gymnasium. Tomorrow night and then receive Wood River's Oilers for a Southwestern Conference battle on Saturday night.

The Trojans of Madison will attempt to pad their Midwestern lead in a contest tomorrow night against the last-place Shells at Roxana.

Both local teams are looking past the weekend, too, to their traditional meeting Tuesday night at the Madison gymnasium.

Tickets On Sale For Madison Game

Reserved seat tickets for Tuesday night's high school basketball game at Madison between Granite City's Warriors and Madison's Trojans are now on sale at both schools.

The tickets went on sale today and will remain on sale tomorrow, Monday and Tuesday—or as long as they last.

Principals of both schools—Madison's Francis DeBartolomeo and Granite City's Lawrence McCauley—said season ticket holders and students will be given first priority.

About 400 tickets have been allotted to Granite City high school. The Madison gymnasium seats 1,264 fans and McCauley emphasized that there will be no admission for standing room—only holders of reserved seat tickets will be admitted.

Ticket prices are \$1 for adults and 50 cents for grade school and high school students.

Venice Five Beaten By Bethalto 43-26 In Conference Meet

Favored Bethalto defeated Venice 43-26 in the opening round of the Tri-County Conference's grade school basketball tournament last night at the Venice gymnasium. The loss eliminates Venice from the tourney.

Bethalto, the conference champion, was led by Don Dillard with 21 points and by Ricci Statler.

Top scorer for Venice was Roullet Porter with 10 points. Other Venice players who scored were Russell Turner (5), Arnold Spitzer (4), Mike Leathem (3), Harold Gert (2) and Ken Patterson (2).

In other first-round games last night, Jerseyville topped East Alton 43-30 and Wood River beat Southwestern 38-19.

The schedule calls for Jerseyville to meet Hartford at 7 o'clock and Wood River to play Bethalto at 8:30. The third-place and title contests will be played tomorrow night.

In the free throw contest, Dan DeGleria of East Alton and Ben Benton of Bethalto are leading with 38 of 50 each. But they have to wait until Hartford shoots tonight for the final results.

Sky Stealers Plan 'Learn-To-Fly' Day

A "learn-to-fly" day for youngsters will be held this spring by the Tri-City Sky Stealers, local model airplane club. It was decided at a business meeting last night at the YMCA.

John Blum, secretary, said the program will be aimed at youngsters who have received model planes as gifts and need instructions to fly them properly. No date has been set for the event.

The Sky Stealers will set up a model airplane display Saturday at the Bellefonte Tri-City Grocery. The display will be there two weeks.

The club accepted a challenge in a 100-mile "rat race" by the Yellowjackets of St. Louis. The race, consisting of four planes racing heats in one circle, will be held May 24. It is expected to take about two hours.

The club also plans to attend the fourth annual Spring Fair at the season's first get-together of St. Louis area model enthusiasts May 17 at Baker Park, Valley Park, Mo. The gathering was initiated by the Sky Stealers three years ago.

Dale's Barber Shop Tops Bowler's In Classic Play

Dale's Barber Shop defeated Bowler's Trucking 87-58 in the Classic League basketball last night at Prather junior high school as five players scored in double figures.

They were Bob Miller (23), Bill Ohiendorf (16), Dave Hinkley (15), John Campbell (13) and Bill Page (12). For Bowler's, Joe Gonzales scored 20, Clarence Jones 17 and Dan Hamilton 12. Bowler forfeited to Sacred Heart in the other scheduled game.

Four Swamp Angels Place

Four members of the YMCA Swamp Angels swim team won awards in the University City swim club's annual meet, according to official results announced Monday afternoon. Vicki Bendel was third in the backstroke and fourth in the butterfly. Neil Puhle won third in freestyle and fourth

Lincoln Beats Kinloch Club; Home To Cairo

Lincoln's Rams gained sweet revenge on the Kinloch Bulldogs Tuesday night with a convincing 77-62 victory at the Venice school's gymnasium.

The Rams, beaten at the Missourians' court earlier in the season, raced to a 35-27 halftime lead after being tied 15-15 in the first period.

Now owning a record of three wins against eight losses, the Rams entertain Sumner of Calumet tomorrow night. After that, three games remain on the Rams' schedule.

"It'd be nice to win the rest," said Coach Stan Lynch, "but it'll be rough." Victories in the final four games would give the Rams a 7-5 season record, almost 500. Last year, Lincoln had a 7-16 record.

Leading Lincoln Tuesday night were three players in double digits. Calvin Dixon hit 22, Percy Dillon 19 and Rich Jackson 14.

Dixon had 10 free throws and Dillon made seven as the Rams hit 29 of 39 charity tosses. The Bulldogs outscored the Rams 26-24 from the field but their 25 fouls gave the locals the opportunity they needed to win.

Kinloch held a slim 44-42 rebounding edge. For Lincoln, Dillon grabbed 18 and Jackson pulled in 14.

In the junior varsity tilt, Jesse Hall's 17 points paced a 55-31 Venice triumph.

Liberty Home Takes East Division Title

Liberty Home downed St. Mary's 64-47 Monday night at Prather junior high school to clinch the Eastern Division title in Classic League basketball.

The team has a 7-1 record with two games remaining. Schlitz and West Side A.C. are tied for second with 4-4 records.

Earlier Liberty Home were Glen Spranklin with 19 points and Mike Tritan with 17. Dan Troits scored 16 and Charles Schick 13 for St. Mary's.

Schlitz nipped West Side 53-52 as Ray Jones scored 16 and John Michaels 14. For the losers, Dewey Milton hit 25 and Rich Franklin 11.

Boosters Meet Tonight

A regular district meeting of the Boosters of the Fighting Bulldogs will be held at 6:30 p.m. today at the Rose Bowl with Andy Sullivan, Granite City high school basketball coach, as the speaker.

FARM BUREAU WINNERS. Rose Marie Bauer (left) and Ralph Bade, both of Granite City, hold trophies won in Farm Bureau bowling competition at Bowland. Both had the high single games in their divisions.

Five GC Bowlers In District Meet

Five Granite Cityans have qualified for the Farm Bureau's district bowling tournament at Bowland, Feb. 20 at Bowland here. They qualified in the Madison County competition completed last week at Bowland.

Included are Rose Marie Bauer, a member of the women's division team, who won the individual trophy for a high game of 214, and Ralph Bade, a member of the men's team, who was awarded the men's trophy for a 237 average.

Other Granite Cityans are Ann Bade, a member of the women's team, and Roland Bade, a member of the men's team. More than 80 Madison County Farm Bureau members participated in the competition.

Glenn Schumacher of Alhambra had the high average of 200 for the tournament. Herb Felpauer of Edwardsville did not place for a position in the district but created quite a stir by picking 6-7-10 and 4-7-10 splits.

District winners advance to the state finals at Springfield.

Holland Asphalt Wins In HS Eastern Contest

First-place Holland Asphalt downed Twilight Optimist 54-31 in the High School League's Eastern Division last night at Coledge junior high school. Jim McDonnell had 10 points for Holland and Rich Martinez hit 12 and 11 markers for the Optimists.

St. Bartholomew's downed Triple A 52-33 behind Barry Doyle. Clarence Jones hit 21, Vance Lockridge's 10 paced Triple A.

Delema Shoppe took a 36-31 victory over Bellefonte Tile with Keith Wilson scoring 18 points—half his team's total. Norm Wilson had 13 for Bellefonte.

In backstroke, Mike Johnson finished sixth in the freestyle and Carol Druhe was sixth in individual medley. Competing were 275 novice swimmers from 14 clubs.

Lincoln Beats Kinloch Club; Home To Cairo

Lincoln's Rams gained sweet revenge on the Kinloch Bulldogs Tuesday night with a convincing 77-62 victory at the Venice school's gymnasium.

The Rams, beaten at the Missourians' court earlier in the season, raced to a 35-27 halftime lead after being tied 15-15 in the first period.

Now owning a record of three wins against eight losses, the Rams entertain Sumner of Calumet tomorrow night. After that, three games remain on the Rams' schedule.

"It'd be nice to win the rest," said Coach Stan Lynch, "but it'll be rough." Victories in the final four games would give the Rams a 7-5 season record, almost 500. Last year, Lincoln had a 7-16 record.

Leading Lincoln Tuesday night were three players in double digits. Calvin Dixon hit 22, Percy Dillon 19 and Rich Jackson 14.

Dixon had 10 free throws and Dillon made seven as the Rams hit 29 of 39 charity tosses. The Bulldogs outscored the Rams 26-24 from the field but their 25 fouls gave the locals the opportunity they needed to win.

Kinloch held a slim 44-42 rebounding edge. For Lincoln, Dillon grabbed 18 and Jackson pulled in 14.

In the junior varsity tilt, Jesse Hall's 17 points paced a 55-31 Venice triumph.

Liberty Home Takes East Division Title

Liberty Home downed St. Mary's 64-47 Monday night at Prather junior high school to clinch the Eastern Division title in Classic League basketball.

The team has a 7-1 record with two games remaining. Schlitz and West Side A.C. are tied for second with 4-4 records.

Earlier Liberty Home were Glen Spranklin with 19 points and Mike Tritan with 17. Dan Troits scored 16 and Charles Schick 13 for St. Mary's.

Schlitz nipped West Side 53-52 as Ray Jones scored 16 and John Michaels 14. For the losers, Dewey Milton hit 25 and Rich Franklin 11.

Boosters Meet Tonight

A regular district meeting of the Boosters of the Fighting Bulldogs will be held at 6:30 p.m. today at the Rose Bowl with Andy Sullivan, Granite City high school basketball coach, as the speaker.

Wrestlers Take SV Title Again

Like Perry Mason, the Granite City high school wrestlers always seem to win.

The results: Warriors captured their seventh straight Southwestern Conference "championship" Tuesday night with a 23-15 decision at Edwardsville over the second-place Tigers.

The victory gave Coach Bill "Red" Schmitt's squad an 8-0 record for the season while the Tigers finished at 6-2. An Edwardsville triumph would have ended the race in a two-way tie.

Overall, the Warriors are 15-1 in dual meets and they end the regular season schedule Tuesday afternoon at Normandy, Mo. The only loss was to Wanigan, powerhouse of northern Illinois.

Three For Three

Tuesday night's match saw the Warriors win in three weights they had lost in the previous encounter with Edwardsville, but they also lost three weights they had won in the earlier scrap.

The score of the first match was 27-15 in Granite City's favor. The Warriors lost four points in the latest meet by having two less pins.

The Warriors pulled their three reversals of the earlier bouts as Steve Cavanaugh defeated Ray Carter, 2-1, at 132 pounds. Dan King beat Elmer Lewis, 7-2, at 120, and Ernie Kern edged Jim Little, 3-2, at 165.

But they lost at three weights won in the first match as the Tigers' Jimmy topped Mike Nichols, 4-2, at 127, Ed Small took Rich Grizard, 7-5, at 138 and Bill Rohrkaste stopped Bourbon Sparks, 5-1, at 154.

The only change in opponents was at 138 where Grizard, who weighs just 127, substituted for ailing Jim Valcott, who had beaten Small.

Only One Pin

There was just one bout won by a fall as the Warriors' Paul Lapinski pinned Paul Meyer in 3:02 of the 109-pound battle.

The Tigers got off to a good start as 95-pounder Curt Alexander won a 5-0 decision over Mike Reynolds. It was the third win over Reynolds for Alexander, who is unbeaten in 20 straight bouts this season.

The other winner for Edwardsville was Chuck Killian, 5-1 over Mike Mounce at 145 pounds. Other Granite City victors were Tom Midkiff, 5-1 over John Handley at 133, Gary Forshee, 7-1 over Tom Zeissert at 180, and John Evenden, 7-2 over John Hartman in the heavyweight go.

Granite City, incidentally, didn't lose the conference title eight years ago. The current string began in 1958—the latest revival of wrestling competition in the conference.

Conference competition prior to 1958 was an on-again, off-again proposition, but Coach Schmitt believes the last time the Warriors lost a wrestling title was 1944 or 1945, when East St. Louis won.

State Basketball Tourney Will Be Televised Again

The Illinois Bell Telephone Co. has announced plans to televise the Illinois state high school basketball championships for the 13th successive year.

The tournament, on March 20-21 at the University of Illinois, 16,000-seat Assembly Hall, will be seen locally on WTVU-TV, Channel 9 in St. Louis. Eleven other stations also will televise the tournament. Sportscasters will be Jack Drees, Tom Kelly and Bob Rhodes. Also appearing as program hostess and host will be former Miss America Marilyn Van Derbur and comedian Jerry Van Dyke.

The winners of the 1960-61 season were the Illinois State Spartans, who defeated the St. Louis Cardinals in the final game. The Spartans, coached by Jack Drees, won the title by defeating the Cardinals, 41-34, in a game that was played at the University of Illinois.

Soph's Top Edwardsville, Take On Madison Tonight

Granite City's sophomores whipped Edwardsville 79-61 in a basketball game here Monday night. The win gives the local high schoolers a 9-1 record.

Leading scorers were Larry Ripke with 19 and Elmer Wortham 13. The young Warriors are at Madison tonight.

MADISON JUNIOR HIGH SQUAD. The school's eighth grade team (front and middle rows) has a 12-0 record and will finish its season at 4 p.m. Tuesday when Edwardsville visits the MJHS gymnasium. The seventh graders (back row) finished with a 9-3 record. Pictured, from left to right, are: front row—Fred Tanner, Ken Blatner, Wilbert Glasper, Terry Brake and Jim Purkayle; middle row—Howard Green, Alan Glasper, Bert Armour, Dallas Thompson, Gary Lusk, Rich Wall and Larry Wilkiewicz; back row—Coach Stan Serwatko, John Watson, Howard Harper, Bill Stagner, Nyle Barker, Benny Manion, Coach Paul Kratz and Student Manager Jim Nappier.

At Worden Tomorrow Night

Devils Hold Off Cardinals For 61-50 Win

Venice's Red Devils were so well-balanced Tuesday night, they almost fell over.

The Devils, entertaining the Breese Cardinals in an important conference game, used five players. Two scored 13 points each, two others hit 12 each and one made 11.

The decision went to Venice 61-50, but the lack of scoring punch by one or two players—which is so often the key to victory—enabled the Cardinals to keep within a few points throughout the contest.

Intent on damaging the Devils' championship hopes in the Madison-Clinton-Macoupin Conference, the Cards—until the closing moments—kept within nine points of the locals and with just three minutes left in the game, they trailed by only six at 59-43.

But the Devils used stalling tactics in those final minutes and the Cardinals were forced to foul, resulting in six successful free shots by Mike Edwards for Venice.

Coach Displaced Coach Bill Ohiendorf, who saw his team's performance as "the poorest in a long while," first ordered a stall with 5:16 left in the game. The Devils were able to waste more than a minute that way.

It was in the final two minutes, with keep-away strategy still prevailing for the Devils, that the Cardinals were forced to

commit four fouls.

Venice began fouling, too, but for a different reason. Since the Devils had no fouls up to the last 1:50 of the second half, they could afford to give Breese one foul shot in exchange for almost-certain possession of the ball.

In scoring, Edwards and John Robertson were the 12 point producers, with Ken McMullen and Paul Sittion getting 12 each and Rich Essington 11. For the Cardinals, Mike Hostmeyer scored 22—including 11 in the fourth quarter—and Danny Haer made 12.

Totals	22	6	13	50

Scoring by quarters:

Venice	13	16	12	20	61
Breese	11	12	10	17	50

Venice now stands 7-3 in the conference and 14-4 overall. Bunker Hill is second with a 6-2 MCM record. The Devils play at Worden (4-6) tomorrow night, and then meet third-place Westlin (6-4) at Venice Tuesday night.

Westlin, only MCM team to beat Venice, rose to third spot as the loss dropped Breese (4-4) down to fifth. Livingston (5-4) is fourth.

Pairings Set For Regional

Granite City meets Wood River and Madison plays the Venice district winner, according to pairings of the Wood River regional tournament released by the Illinois High School Association.

Madison's game and the Collinsville-Roxana first-round game are in the upper bracket. The Granite City-Wood River and Alton-Edwardsville games are in the lower bracket.

Collinsville, currently unbeaten in 17 games and ranked as the state's top prep team, is seeded first. Granite City is seeded second. Alton third, Madison fourth, Edwardsville fifth, Wood River sixth and Roxana seventh.

The tournament starts March 2. In the Venice district, scheduled to start Feb. 24, Marquette of Alton is top-seeded and will meet the winner of the Brooklyn-Lovejoy-Alton WMA contest. Venice meets Lincoln of Venice in the opening game.

The tournament district, scheduled to start Feb. 24, Marquette of Alton is top-seeded and will meet the winner of the Brooklyn-Lovejoy-Alton WMA contest. Venice meets Lincoln of Venice in the opening game.

Coollidge Matmen Top Prather Squad 29-16

Coollidge defeated Prather 29-16 Monday afternoon as both local junior high schools' basketball teams ended their seasons. Coollidge, the host team Monday, wound up with a 12-2 record and a 12-2 record and Prather finished at 8-4.

The winning Braves took two bouts on pins, four on decisions and one by default. The latter was Brian LaMew over Bill Gibson, who suffered a shoulder injury. The Chiefs won on a pin and three decisions. There was one draw.

The summary: 95 pounds—Bill Fuchs P over Jan G. 11-10, 6-0; 103-Gus Schalkham C tied Chuck Fenoglio, 4-4; 112—Ernie Mills C over Jerry Laginski, 6-3; 120—Dan Wilson C over Dan Kirksey, 8-6; 127—Brian LaMew C over Bill Gibson, default; 133—Steve Conway C over Dan King, 10-2; 138—Robert Hordesky P pinned Bruce Lillies, 10-3; 145—Ray Hankins C pinned Don Kamradt, 4-15; 150—Roger Hickman P over Ed Clemens, 12 heavy-weight—Tim Lane C pinned Raymond O'Beary, 5-33.

Coollidge, Prather In Cage Tournament

Coollidge and Prather Junior high schools will send their ninth grade basketball teams to compete in the Madison County Junior High School Conference Tournament next week at Roxana.

Prather's Chiefs will meet Webster at Collinsville 7 p.m. Monday, following the opening game between Edwardsville and Neshaminy at Collinsville.

Coollidge's Braves will play the Webster-Prather victory at 8 p.m. Thursday on the second night of the tournament. The tourney concludes Friday, Feb. 14.

The Braves won their 11th game against three losses Tuesday by 58-42 over Madison's freshmen in the Coollidge gym. Leading the winners were Ron Sheppard with 18 points and Terry Moore with 17.

Cards' Ken Boyer Joins Big Leaguers For Sunday's March Of Dimes Bowling

Kenny Boyer, the St. Louis Cardinals' outstanding third baseman, has been added to the list of major league baseball figures who will bowl on behalf of the March of Dimes at 2 p.m. Sunday at Tri-Mor.

Sportscenter France Laux, a co-manager at Tri-Mor, said Boyer is a late addition to the team which will oppose a St. Louis radio squad in a special exhibition.

Other big leaguers who will bowl are Red Schoendienst, former second baseman and now coach of the Cardinals; Chuck Diering, ex-Cardinal outfielder; Del Wilbur, former catcher for the Cardinals; Roy Sievers, former "Rookie of the Year" for the St. Louis Browns and now first baseman for the Philadelphia Phillies; LeRoy Thomas, Los Angeles Angels outfielder; and Frank Bauman, Chicago White Sox pitcher.

Since only five normally complete a team, Laux said some of the major leaguers may participate in other matches. "It's not just what we'll end up doing," he said.

Rex Davis, Doug Newman, Bob Gotsch, Lee Hyde and Charley Jones will oppose them. Two women's doubles matches are scheduled. Mildred Stauffer, St. Louis match games champion, and former champion Ann Maloney will take on Dot Schmidt and Granite City's Mary Pashoff, both members of the St. Louis Kuttis team.

The other match will feature Gwyneth Herbert, also a former match games champion in St. Louis, and Jinx Trout, member of the St. Louis Staley Paint team, against Quai-Cityans Kay Kahle and Dot McMullen.

In a special man vs. woman dual, Roger Fountain will face Pauline Smith.

Junior Exhibition

Also on the card is a junior bowlers' exhibition between teams from Tri-Mor and Bowling Green. The Tri-Mor team will be Johnny Jaws, Lawrence Yob, Mary Schuler, Karen Boyles, Gary Willis, John Huff, Lynette Ward and Marion Sullivan.

On the Bowling Green team will be Janet Mann, Debbie Quentley, Grant Cozart, David Bradford, Jim Stewart, Maggie Wallace, Andria Rehagen and Sherin Andrew Holman.

Prize winners in the March of Dimes bowling will be recognized.

Entry fees from those tournaments and donations taken during the March of Dimes' fight against birth defects and arthritis.

YMCA Assured Tie In Western Loop

YMCA Teen Town wrapped up at least a tie for the Western division title in High School League basketball with a 32-40 triumph over Olga's Confectionery Monday night at the Community Center.

Heading the victory were Charles Stephens with 18 points and Jerry Nelson with 15. High for Olga's were Larry Johnson (14) and Donny Hecht (9). The Teen Towners have an 8-1 record.

In other games, the Saints downed Tri-Way Village 68-41 and Lincoln Play beat Branding's 56-41. John and Jim Pomery scored 25 and 19 points, respectively, for the Saints while Jerry Broadwater's 16 and Larry Wolford's 14 led the Tri-Way team.

For Lincoln Play, Bob Kanderjoff scored 18 and Ken Ferro hit 10. Bill Starkey with 16 and Wayne Hancock with 10 paced Branding's.

neighborhood chairman, Miss
Mrs. Thelma Skelly are serving
dinner, Sunday to visit Mr.
and Mrs. J. R. Williams.

Refreshments were served to 15
at the Washington leaders, with the Venice lead-
ers. The March meet-
ing will be at the Firstling will be at Dunbar school.

Quad-City Birthrate Decline Continues In Seventh Year

The Quad-Cities' birthrate for
January, while slightly over 100,
was lower than the December
figure of 103 and the January
1963 total of 110. Last month
107 babies were born in the
Quad-Cities.

The vital statistics compiled
for the Quad-Cities by Granite
City Clerk A. L. Stevens also
show there were 40 deaths, the
same number as in December,
but an increase over the 33 re-
corded in January last year.

The decline in the birthrate
has been steady since 1957, when
it was 113.

Presbyterian Church on Royal
Heights road, Bellevue, Feb. 27
at 1 p.m.

Mrs. George Eubanks of Gran-
ite City is being nominated for
president of the River Bluffs
Council.

MRS. LEOLA TUCKER
1234 Edwarsville Road
TR. 6-7227

HERE FOR VISIT
Mrs. Mattie Miller of Rose,
Ark., is here visiting her sister,
Mrs. Florence Bond, who has
been ill for the past several
months and resides with her son
and daughter-in-law, Mr. and
Mrs. Dan Davis of Meridian
street.

Mrs. Miller is the aunt of Dan
Davis, Laura Emmerson and
Andrew, Albert and Lawrence
Davis.

HOSPITALIZED
Mrs. Jerry Johnson of Dale
avenue entered St. Elizabeth
Hospital Monday to undergo
treatment.

Den One of Cub Pack Two,
sponsored by the Granite City
Association for Aid to Retarded
Children, held a weekly meet-
ing Monday night at the Lake
school.

Betty Schwallier, den mother,
instructed the cubs on the wolf
book, Frank Kraus, Webelo
leader, and Richard Reinhardt
sr., worked with their group on
proper procedures for the Ameri-
can flag.

Cubmaster is Albert Beedle.
After dismissal of the den meet-
ing, the boys attended a month-
ly roundtable meeting where
they performed a closing cere-
mony.

BIRTHDAY DINNER
A birthday dinner was held
Sunday for Mrs. Darline King in
the home of her parents, Mr.
and Mrs. Joseph Robinson. It
was Mrs. King's 22nd birthday.
Those at the party were Mr.
and Mrs. Don King and son,
Don Jr., and Mr. and Mrs. Larry
Freese.

CLUB MEETING, DANCE
New officers and board mem-
bers were nominated during a
monthly meeting of the Horse-
shoe Lake Rod and Gun club
Sunday. The meeting was fol-
lowed by a dance attended by 50
persons.

BIRTHDAY OBSERVANCE
Mrs. Jewell King served cof-
fee and cake at her home to
celebrate the birthday of her
nephew-in-law. This week
those present were Mr. and
Mrs. Don King and son, Don
Jr., Ricky Dollins and Mrs.
King.

CRADLE SHOWER
A cradle shower was held for
Mrs. Opal McMurry this week.
About 20 attended.

Mrs. McMurry recently gave
birth to a son at St. Elizabeth
Hospital, and the shower was
delayed until she returned home.

STATE FARM MUTUAL
AUTOMOBILE INSURANCE COMPANY
Home Office: Bloomington, Ill.

Count your blessings so many of them are Electric!

Can you imagine what life would be like without electricity? Yet, it was only 85 years ago that Thomas Edison demonstrated the first practical electric light. Just look at what that invention has meant to us...

Today, we can choose from over 200 electric appli-
ances to save time and energy, and provide enter-

tainment in the home. Electricity performs over 400
farm tasks that formerly had to be done with physical
labor.

And our entire industrial production is geared to
the use of electric energy. Nothing else does so many
jobs at so little cost.

ILLINOIS POWER COMPANY

Nearly Every Family In County Has Auto

Nearly every family in Madison county has at least one automobile. Based on assessment records of the county, there are 64,105 autos along with 8022 trucks, buses and trailers owned by 66,097 individuals or firms.

And — the 64,105 figure does not include cars more than nine years old, unless they are collectors' items. Assessors normally do not place value for taxation purposes on the older autos.

The personal property listing for Madison county places the total value of the property at \$228,949,725.

Included are 9350 swine worth \$146,740 and 14,188 cattle valued at \$855,800. The 64,105 autos were valued at \$27,638,955, while the 8022 trucks, buses and trailers are worth \$1,961,170 for tax purposes.

Other livestock and poultry owned by Madison county citizens are valued at \$36,415, and grain and other crops are worth \$486,010.

Home furnishings and furniture is worth \$17,973,900, and office and store fixtures and fixtures are valued at \$3,276,900.

Mrs. Florence Nation Dies Following Stroke

Mrs. Lula Florence Nation, 58, of 1701 (rear) Edwardsville road, Madison, died at 2 p.m. Monday at St. Elizabeth Hospital where she had been admitted six hours earlier following a stroke. She had been ill for four years.

A Madison resident for 21 years, Mrs. Nation was born in Grand Tower, Ill. Her husband, Andrew Nation, is a pipefitter at Union Star & Refining Co.

Other survivors include three daughters, Mrs. Joe (Doris) Hinnen and Mrs. Ben (Nabell) Garrison, both of Madison, and Mrs. Charles (Katherine) Clutts, Granite City; two brothers, Charles and Ben Vanover, both of Grand Tower; three sisters, Mrs. Ed (Julie) Burke, Grand Tower, Mrs. Jessie (Bonnie) Riegger, Mason City, La., and Miss Myrtle Vanover, Elkhartville, Ill.; 12 grandchildren and three great-grandchildren.

An obituary notice is given elsewhere in this issue.

Railroad property in the county is assessed as follows: \$106,235 for 1062 acres; \$27,615 for 14 lots and \$374,220 for oil leases.

Total assessment of all property in the county for 1963 is \$799,817,575. Of this amount, lands were assessed \$209,203,675, the \$360,856,105 railroads, \$808,070 and personal property \$228,949,725.

Nameoki Twp. Relief Up During January

A slight increase in relief patronage in Nameoki township was reported for January at the office of supervisor Harry Briggs.

The office handled 43 cases with 119 persons at a cost of \$3339, compared to December relief for 41 cases with 131 persons and costs of \$3669. In January 1963, the totals were 44 cases with 130 persons and costs of \$3569. Total relief disbursements for the current fiscal year amount to \$44,811, compared to \$44,105 for the same period in the 1962-63 fiscal year.

Granite City PRESS-RECORD

Thurs., Feb. 6, 1964 Page 9

R. C. Studebaker Named Plant Superintendent

Roger C. Studebaker, former Granite City plant superintendent, has been appointed superintendent of the J. J. Moss Text Co.'s East St. Louis plant, it was announced this week by George C. Eaton, general superintendent of plants for the St. Louis firm.

Studebaker has been superintendent of the Moss treating plant at Graniteville, Wis., for past 12 years and has been with Moss since 1935. He succeeds Cecil R. Davis, who retired Jan. 31.

Grass Fire, No Loss

Firemen from the Granite City main station were called about 1:30 p.m. Monday to the rear of 2500 Lincoln avenue, the home of Tony Strienoski, where a rubbish fire in the alley had ignited grass. No loss was reported.

Cemetery No Place To Play With Fire

An old cemetery is no place to play with fire. Granite City police received a report at 5:45 p.m. Tuesday that boys were setting a fire in the graveyard behind Kirkpatrick Homes. Patrolmen dispatched to the scene made them put the fire out, reprimanded them and sent them home for supper.

Rotary Club Contest Winners

More than 1000 ideas were submitted by students in the junior and senior high schools of the Granite City Rotary Club's civic improvement idea contest. The contest was held to aid the club determine how best to use income from the Rotary house show for civic improvement. A special committee appointed to develop the contest had determined that the money used should benefit the largest number of persons. Each student in the contest had to state his suggestion and then write 200 words or more on why he believed the community could benefit from his suggestion.

A committee of judges selected winners for originality of idea and the explanation of how people could benefit. Disaster Truck Wins. Marlene Reako of Coolidge junior high school was awarded first place with the winning suggestion of a new rescuer disaster truck for the city fire department. Rotary officers and city officials are reviewing bids on a new rescuer disaster truck with the latest in rescue equipment. The truck will soon be in operation and Marlene will receive a \$50 S.S. savings bond for her suggestion. Second place, with a \$25 bond, went to Beverly Wood of Granite City high school for her suggestion of school bus shelters that could be used by students in bad weather. Third place, a \$15 Garfield certificate, went to Marsha Long of Coolidge for her suggestion of a teenage employment service which would provide parttime employment for students, and be of benefit to

Youngsters Submit 1000 Ideas For Improvements

homeowners and small businesses alike. See Downtown Mall. Fourth place, a \$10 gift certificate, was won by Kathryn Machino of Central junior high school for her suggestion of a downtown mall in the business section similar to those in Miami Beach, Fla., Toledo, O., and Jackson, Mich. Winning a fifth place \$5 gift certificate was James Anderson of Coolidge for his suggestion of a large clock to be located in the middle of town so that everyone could see the time. All junior and senior high school students and seventh and eighth graders in parochial schools in Granite City were eligible to participate in the contest.

Other suggestions. Hundreds suggested improvements as air pollution control, better sewers, more and improved street lighting, more stop lights, over or underpasses for students at the high school, a teenage recreation center, a civic senior citizen center, a skating rink, a new hospital, new high schools and new teachers. Winners of the contests will be Rotary guests at a special luncheon when they will receive their awards. James Louis, Rotary president, expressed appreciation that so many young persons are interested in Granite City, its improvement and its future.

School Transportation Costs Average \$679 Day

A tabulation of Granite City school district transportation costs shows they have been averaging \$679 a day. Records through the end of the calendar year—90 school days in September, 21 in October, 17 in November and 15 in December—show expenditures of \$49,627. Morning-afternoon bus runs cost \$10,245 for Granite City high school, \$6,125 for Prairie junior high school, \$5,466 for Coolidge junior high, \$1,876 for Central junior high, \$6,927 for Mitchell grade school, \$3,913 for Stallings, \$3,501 for Lake, \$2,261 for Maryville, \$1,996 for Logan, \$757 for Frohardt and \$715 for Nameoki.

Transportation of mentally handicapped (educable and trainable) pupils amounted to \$3,674, the Logan lunch program \$488, GCIS special students \$93, junior high special students, \$57, elementary special pupils \$10, GCIS athletics \$998, junior high athletics \$802 and special education transportation \$455.

TUCSON ARIZONA BOYS' CHORUS will sing at 3 p.m. Sunday at Granite City high school under the sponsorship of the Tri-City Community Concert Association.

Tucson's Singing Boys To Appear Here Sunday

The feature concert of the Tri-City Community Concert Association will be presented at 3 p.m. Sunday as the famed Tucson Arizona Singing Boys appear at the Granite City high school auditorium. This will be the chorus' second appearance here.

This talented group of singing boys has attained a unique position of popularity and prestige in the world of entertainment. In concert, on radio, television and on records the "Ambassadors in Levis" have won a host of admirers for their fine singing.

The chorus was organized in 1939 by Edwardo Cases, and in these early days the major problem was recruiting boys to sing. By 1950 Cases' singing "Cowboys" were on the road to success and had grown from a chorus of eight to well over a hundred.

In 1953 the chorus went on tour and one of the first stops was Granite City where they were the opening concert of the then-newly-organized Tri-City Community Concert Association. By 1955 the young men of song were on a world tour that covered all of Europe and Australia.

Unlike other boy choirs, whose members attend private schools, the Arizona boys go to the Tucson public schools. Their rehearsals are confined to their spare time and all work missed while on tour must be made up when they return. Today, Cases' biggest problem is how to turn boys away.

Using many of their own original arrangements of songs of the Great Southwest these young singers will present a roundup of music and fun for everyone. The coyote call, pop dancing and western square dance give their program its unique American flavor and will transform the stage of the auditorium into a western range.

Mrs. John Lee, Community Concert president, said after the concert the chorus will be entertained by members of the association and young people from the high school chorus at a "soda party" in the school cafeteria.

Hit-And-Run Accident
Robert Hinson, 2705 Maryville road, reported to Granite City Police at 8:05 a.m. Tuesday that a hit-and-run driver struck the rear of his car at 21st and Adams streets, damaging the left rear bumper and tail light.

Basketball Saturday To Aid Venice Fund Drive
All is in readiness, including a supply of liniment, for the annual basketball battle between a squad of Venice city and bridge employees and a team composed of Venice police and firemen. Location of the Saturday night game will be the Venice school gymnasium.

The contest will follow a 7 p.m. game between Venice and St. Mark's fifth-sixth grade teams. Musical entertainment will be provided by the Venice high school band. As in past years, proceeds will go to the treasury of the Venice Crippled Children's Organization.

Granite City PRESS-RECORD

Thurs., Feb. 6, 1964 Page 11

1 1/2-Mile Zoning Control Outside City Still Pending

Zoning and construction inspection controls in areas extending 1 1/2-mile outside the city limits of Granite City still remain in question. Alderman Donald Partney, chairman of the council's Planning committee, informed the council Monday night.

In an effort to avoid court action, Partney said, a meeting is being scheduled, possibly for this weekend, to work out a procedure. To take part in the meeting are members of the city's Planning committee, the city's Planning Commission, members of the county Plan Commission, county zoning officials and Nameoki township officers.

Partney said the city still is having problems exercising its controls for the 1 1/2-mile outside city, permissible under state law, and to be determined is the authority of city inspectors.

He pointed out that with Nameoki township planning to install a sanitary sewer system and sewage treatment facilities, it will become essential to Granite City to know the exact authority of the city. He predicted a boom in development outside Granite City when the township sewer program is completed.

The council approved a zone change for 1738-38 Edison avenue, where Granite City Glass Co. is planning to expand. The change was from R-5 multiple family dwelling unit to "B" (business) classification.

Dinner Kicks Off Heart Fund Drive

A kick-off dinner for the Madison County Heart Fund campaign was held Tuesday night at Rusty's restaurant, Edwinstown, with Rev. Father John Bertman of Litchfield as speaker.

Father Bertman is a member of the Illinois Heart Association board. The campaign, which opened Feb. 1, will continue through Feb. 29.

Miss Eulalia Hotz, county clerk who is serving as county campaign chairman, said: "This is a unique cause. It unites into one appeal, diseases which are responsible for more than 80 per cent of all deaths in Illinois—among them heart attack, stroke, high blood pressure and hardening of the arteries, rheumatic fever and inborn heart defects."

About 4000 volunteers are taking part in the Madison County Heart Fund campaign. "Heart-Days for Business" campaign will take up the first two weeks this month and the residential canvass will be held Sunday, Feb. 23.

Local community chairmen are Terry W. Francis, Granite City; Bobby Cravens, Madison and Venice, and Thomas Stalcoff, Pontoon Beach.

FIRE BURNS OUT FREDMAN'S IN PEORIA

**SHIPMENTS
REROUTED TO
FREDMAN BROS.
GRANITE CITY, ILLINOIS
TO TAKE IN PEORIA STOCK**

Shipments of new merchandise for the Peoria store have been rerouted to come to Fredman Bros. in Granite City, Illinois. Thousands of dollars worth of merchandise has been crowded onto our floors and must be disposed of at once.

Three more truck loads of furniture have arrived from Peoria. This merchandise must be sold as quickly as possible.

We repeat this is not fire damaged but all new merchandise that was originally slated for our Peoria store.

We have received our orders: Slash all prices regardless of profit. All 1964 merchandise cut as much as 55%.

Take advantage of this store-wide sale that was forced on us by the disastrous fire in Peoria. Save now 24% to 55% off regular prices.

Included in this sale are our own store goods. We have decided to make this a store-wide sale. Famous name brand furniture reduced for quick sale: Broyhill, Bassett, Mohawk, Dixie, Philco, Speed Queen, Berkline, etc. Save now!

RAGING INFERNO AS FRONT WALL COLLAPSES

Fredman Brothers Furniture Co. in Peoria, Ill., was destroyed by a spectacular fire Sunday morning, Jan. 11th, which swept through two buildings housing the firm at 614-630 SW Adams St., and inflicted heavy losses on several nearby businesses.

Damages are expected to exceed \$1 million although no official estimate had been made late Sunday.

Cause of the fire is undetermined.

The fire was discovered about 9:40 a.m. and was raging out of control when firemen arrived minutes later. It was declared a 2-11 alarm at 4:46, a 3-11 at 9:47, a 4-11 at 9:49 and a 5-11 at 10 a.m., summoning all available equipment and off-duty firemen and co-operative patrolmen.

Flames, fanned by gusts of wind up to 35 miles per hour, leaped more than 100 feet into the air and for more than two hours threatened the entire block.

Intense heat broke windows of firms directly across the street from the store.

Affected were the Bell Clothing & Shoe House, Inc., at 629-633 SW Adams St., the Star Restaurant, 627 SW Adams St., the Vendome Hotel, 625 SW Adams St., and George's Used Furniture and Appliance Store, 623 SW Adams.

Flying debris started small fires on the roof of Appliance Distributors, Inc., 212 E. State St., the Bell store and in a fourth floor window sill at the Lee Hotel, 223 E. State St., but they were quickly extinguished by firemen. The front walls of the two stored building collapsed.

The blaze was brought under control about 1:30 p.m. and was declared "out" at 2:56 p.m. although the ruins still were smoldering. Most companies returned to their houses by 3:30 p.m.

Summer Aluminum Furniture At Dealers Cost

Car load of 1964 model aluminum furniture must be sold now — complete — to be sold at or below regular dealer wholesale cost. Choose from chairs, tables, rockers, and tables.

Winter Brides, Club Meetings and Other Social Events on the Quad-Cities Scene

Doctors' Wives Hear Details Of Panama Crisis

Mrs. J. C. Byers, Mrs. David Friedman, Mrs. Leo Gressk and Mrs. G. E. Halama attended a meeting of the Woman's Auxiliary to the Madison County Medical Society Monday at the home of Mrs. Robert W. Webb, 834 Willoway, East Alton.

Luncheon was served with Mrs. Harry A. Mittleman as chairman of the hostess committee and afterward there was a plant and pastry sale along the 33 members attending.

Mrs. Phyllis Schaffly of Alton, the speaker for the day, spoke on the situation in Panama in relation to Communism. A business meeting followed and completed plans for "Doctors' Day" on March 30 were announced. Arrangements are being made also for a book review by Estelle Askenasy Sunday afternoon, April 19, at Hathaway Hall, Monticello College. This will be a fund-raising project for nursing scholarships for Madison County.

The March 2 meeting will be held at the home of Dr. and Mrs. David Friedman, 222 State street, with Jerome C. Schrappe, ACSW psychiatric social worker with the Madison County Mutual Health clinic in this city as speaker.

Opti-Mrs. Club Holds Meeting

Mrs. Colene Schmid, 3021 Wayne avenue, with Mrs. Elsie Rodell, co-hostess, entertained the Daybreak-Opti-Mrs. Club Tuesday evening.

The meeting was called to order by the president, Mrs. June Bumpers, and after the short business session there were games, the prizes going to Mrs. Mary McCollum, and Mrs. Thelma Markgraf.

Refreshments were served to eight members and plans were made for the next meeting when Mrs. Lucille England and Mrs. Marie Durbin are to be the hostesses.

MR. AND MRS. ROBERT POTILLO who were married Saturday at First United Presbyterian Church. The bride is the former Nancy Dunscomb, a daughter of Mr. and Mrs. Norman Dunscomb, 2459 Jorden avenue. Mr. Potillo's parents are Mr. and Mrs. Jerry Potillo, 2445 Illinois avenue.

SURPRISE BIRTHDAY PARTY FOR MRS. SINGLETON

A surprise birthday party was given this week to honor Mrs. Ola Singleton, Apt. 127, Grenzer Homes, Madison.

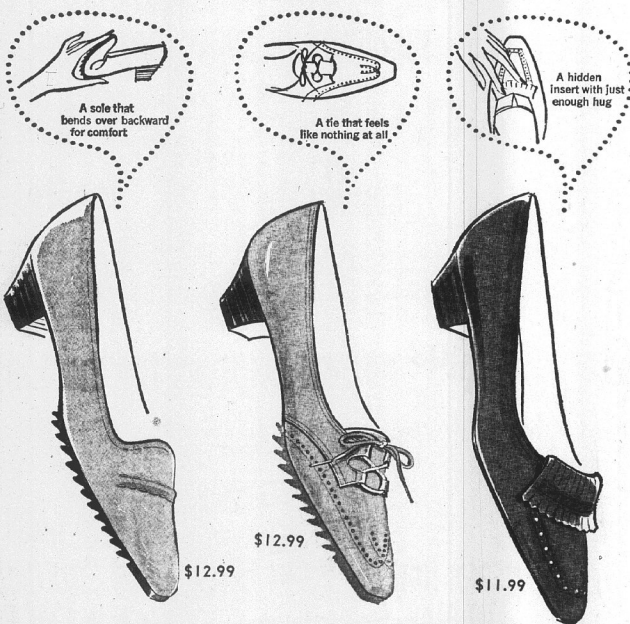

The family basket dinner was held in the Grenzer Homes recreation hall with 32 members of the family present. Mrs. Singleton was presented with a wrist watch.

Etude Music Club Enrolls 2 Members

The home of Mrs. Harold Dorries, 9 Riviera drive, was the place of meeting Tuesday afternoon for the Etude Music Club.

The hostess served luncheon to 13 members and two new members were accepted. They were Mrs. Merlin Hiscott and Mrs. Delbert McKissick.

Mrs. G. E. Halama, vice-president and Mrs. Francis Daniels gave the narration on "Secular Music" from the book by Lomax.

Mrs. Phillip Spence opened the program with two songs, "It Is No Secret" by Stuart, and "He's Got The Whole World In His Hand" by Hamblin, accompanied by her husband, and there was a selection by a trio composed of Mrs. Earl Miller and Mrs. Russell West and Mrs. George Holtzcher, who sang "Climb Every Mountain" by Rogers with accompaniment by Mrs. Dorries.

The April 7 meeting will be with Mrs. Thomas Kelis when the program, under the direction of Mrs. Paul Surbey, will be on "Folk Music".

Shower Honors Bride-To-Be

Miss Linda Sparks, who will be a March bride, was honored this week at a miscellaneous shower and pre-wedding party given by Mrs. Virginia Nichols, Mrs. Earline Johnson and Mrs. Madge Talley at Trinity Methodist Church.

Blue and white, the wedding colors, were used in the arrangements and the gift table held a large blue umbrella. On the refreshment table were white wedding bells and white bells decorated the room throughout.

Prizes in the games were won by Mrs. Margaret Willmiz, Mrs. Sandy Nichols, Mrs. Ann Knight and Mrs. June Ettinger. Refreshments were served to 38 guests.

Badge Work By Troop 145

Girl Scout Troop 145 met Tuesday afternoon at Central school with their leader, Mrs. Luella Edwards and co-leader, Mrs. Marie Miller, to work on drawing and painting badges. They also discussed plans for a Valentine party Feb. 14.

Those attending the meeting were Elvora Ragan, Patty Nowicki, Victor Antonopoulos, Mary Beth Perdue, Sharon Smith, Cheryl Puths, Susan Brummett, Kathy McDonald, Debra Burnett and Pamela Bird.

The program for the evening included two vocal selections, "My Favorite Things" and "Climb The Highest Mountain", by a group of ladies from the church, accompanied by Mrs. Walter Kerch, and a two-part

MR. AND MRS. LEROY VEST. Their wedding was an event of Saturday. The ceremony was performed at the home of the bride's parents, Mr. and Mrs. Oscar Grizzard, 2214 West 29th street. Before her marriage she was Joyce Grizzard.

120 Attend Mother-Daughter Banquet; Awards Presented

The mother-daughter banquet of the United Presbyterian Women's Association was held Tuesday evening in the fellowship hall of First United Presbyterian Church, 22nd street and Delmar avenue.

About 120 attended the 6:30 banquet which was served by the United Presbyterian men. The tables were appropriately decorated for the annual event and the welcome address was given by Mrs. Otto Grosche, president of the women's organization.

Mrs. Frank Barclay served as mistress of ceremonies and the service of installation was conducted for the newly-elected officers by the pastor, Rev. Dr. David Maxton.

The program for the evening included two vocal selections, "My Favorite Things" and "Climb The Highest Mountain", by a group of ladies from the church, accompanied by Mrs. Walter Kerch, and a two-part

TRI-HI-Y GIRLS GIVE BANQUET FOR PARENTS

A banquet for their parents was given this week by the girls of Pi Lambda Chi, a Tri-Hi-Y organization, at the Knights of Columbus Hall.

A Valentine theme was used in the appointments of the buffet meal and the group was entertained with musical numbers by Alan Bogovich, Dale Knezevich and Bill Johns.

Present were Mrs. Dorothy Niepert, Mrs. Naomi Randall, Mrs. Marie Benson, Mrs. Wittenborn, Mrs. Bennington, Mrs. Ann Tucker, Mrs. Tina Howard, Mrs. Theresa Schuler, Mrs. Theresa Barzylske, Mr. and Mrs. Edward Lenzi, Mr. and Mrs. Donald Bruder, Mr. and Mrs. James Louis, Mr. and Mrs. Lewis Bowman, Mr. and Mrs. Leroy Lanahan, Mr. and Mrs. Stephen Line, Mr. and Mrs. Bill Murray, Mr. and Mrs. Theodore Todoff, Mr. and Mrs. Robert Wetzel, Mr. McCane, the advisor, Miss Carol Niepert, and the club members, Mary Niepert, Pat McMurry, Janet Line, Darlene Bowman, Barbara Lenzi, Anita Guyer, Dona Bruder, Cheryl Tucker, Judy Barzylske, Karen Randall, Mary Lanahan, Mary Todoff, Nancy Wittenborn, Nancy Benson, Grace McCane, Nancy Wetzel, Sharon Howard, Mary Schuler and Chris Louis.

ATTEND WOMEN'S CLUB LUNCHEON

Mrs. Hubert Hennrich, Mrs. Jesse Brown and Mrs. Edward Kuefner were guests of Mrs. Russell Adams of Collinsville at luncheon meeting Tuesday of the Collinsville Women's Club honoring past presidents of the organization.

A highlight of the program was a review of Pearl Buck's book, "The Living Reed," given by Estelle Askenasy.

DUPLICATE BRIDGE CLUB MEETS

The Duplicate Bridge Club met Monday morning at the Rose Bowl with 26 members attending.

Mrs. Alvin Barnes Jr. and Mrs. Ralph Kalert Jr. were North-South winners and Mrs. Sam Meyer and Mrs. J. A. Grant were East-West winners.

Homemakers Unit Hears Report On State Meeting

Mrs. Dorothy Hamilton, 2031 Lincoln avenue, was hostess Tuesday afternoon to a meeting of the Trio Unit of the Madison County Homemakers Extension Association, with the business session, conducted by Mrs. Florence Rapp, first vice-chairman, followed by a dessert course.

The major lesson for February, "Your Child and Other Folk," was presented by Mrs. June Lux and Mrs. Velma Neumann. The selected subject for study was a quiz on citizenship conducted by Mrs. Ruth Brave.

Mrs. Neumann and Mrs. Shirley Schilling, both of whom attended the recent annual meeting of Illinois Homemakers Extension in Urbana, reported on the role of the University of Illinois in educating the handicapped, one of the few universities in the country with such a program. They also described a tour of the new mushroom-shaped Illinois Building designed to seat 16,000 and the new 4-H House.

After the program Mrs. William Lux had charge of a musical handkerchief game during which the members exchanged Valentine handkerchiefs. Mrs. Clara Schilling explained the Orientation program at Alton State Hospital, stressing the need for volunteers.

Eight members of the Unit have been attending special

Member Honored On Birthday

Mrs. Leona Parente, 1621 Lindell Blvd., entertained her club Tuesday evening.

The birthday of Mrs. Katharine Johnson was celebrated and she was presented with gifts from the club and her sunshine friend.

Prizes in games were won by Mrs. Grace Hennrich, Mrs. Johnson, Mrs. Agnes Schwarzkopf and Mrs. Martha Bowman. Gifts present were Mrs. Irene Arzelan, Mrs. Della Hagan and Mrs. Gertrude Fleming.

Valentine appointments were used and a large birthday cake in the form of a Valentine centered the table. The next meeting will be with Mrs. Schwarzkopf, 1633 Lindell Blvd.

ing classes being taught by Mrs. Shirley Schilling and Mrs. Florence Rapp, who are receiving instructions at a county sewing school.

The health lesson by Mrs. Katherine Roman concerned driving hints for icy roads. Eighteen members were present and another former member, Mrs. Jerry Short, was reinstated.

Mrs. Rosella Stearns was a guest. The next meeting March 3 will be held in the home of Mrs. Pearl Anderson on Rural Route One.

PLAN VALENTINE PARTY

The World Friends Sunbeams of Second Baptist Church met Tuesday afternoon for the first session of a home mission study, "Blue Flower." The children who arrived early enjoyed coloring a large mural of an Indian village. Also on display were several pictures depicting Indian life, books concerning Indians and Indian curios.

The group made valentines which will be given to several shut-ins and to the help of the World Friends group. There was group singing, and Allen Newberry led opening prayer. Miss Evelyn Barnes led the group in a study of Bible verses and told the first story from "Blue Flower."

It was announced that at the next meeting there will be a valentine party. Closing prayer was given by Bradley Crown. Refreshments were served to Jean Anderson, assistant leader, and Denise Whitson, Christine Smith, Johnny Snider, Gary Lewis, Allen Newberry, David Mayes, Bradley Crown, Debbie Woodford, Margaret Yates, Randy Mitchell, Tommy Stephens and Debbie Withers.

CO-HOSTESSES TO RUTH FORD CIRCLE

Mrs. Eileen Phillips and Mrs. Roxie Sadler of Grand avenue were co-hostesses, Tuesday evening in the Ruth Ford circle of Second Baptist Church.

A mission program on "Citizenship and Its Responsibilities" was participated in by Mrs. Georgia Mitchell, Mrs. Lena Stephens, Mrs. Dorothy Barnes and Mrs. Maxine Dacus. Mrs. Mina Duggins, Mrs. Eloise Yates and Mrs. Alene Reagan led in prayer.

The business session was conducted by the vice-chairman, Mrs. Georgia Mitchell, and a contribution was made toward purchase of Intermediate department hymn books.

Refreshments were served by the hostesses, the remaining guests including Mrs. Naomi Roney, Mrs. Evelyn Smith and Mrs. Shaver.

HOME MISSION STUDY

Virginia Wingo six-year-old Sunbeams of Second Baptist Church met Tuesday afternoon to begin a home mission study, "Blue Flower." Mrs. Betty Lewis, leader, announced that the study will continue for four more weeks. Songs, prayer, a story and an explanation of Indian customs were heard.

The Sunbeams made valentines, including one for an ill lady, and invitations were distributed for the annual Sunbeams valentine party which will be held from 4 to 5 p.m. next Tuesday. The party will follow a short meeting.

Poptorn was served and Di-

Ernest Eli's Mother Dies; Services Friday

Mrs. Henrietta Eli, 84, of Brocton, Ill., mother of Ernest Eli, 1533 Rodger avenue, passed away at 3 p.m. yesterday at the Charleston, Ill. Memorial Hospital where she had been for two weeks. She had been ill a year.

Mrs. Eli had lived in the Charleston Nursing Home for the past year and had been in Granite City residence for 35 years before moving to Brocton 30 years ago.

Her husband Frank Eli, died in 1958. Other survivors include two daughters, Mrs. James (Thelma) Stobbe and Mrs. Reese (Inez) St. Clair, both of Brocton; seven grandchildren and five great-grandchildren.

Services for Mrs. Eli will be held tomorrow.

Percy May Address Labor Council March 4

Subject to confirmation, the Tri-City Trades & Labor Council delegates made plans last night for a March 4 visit by CIO gubernatorial candidate Charles Percy. Edwin Reske, council president, said Percy has been invited to the council's regular meeting in March and the 57 delegates present at the Labor Temple last night recommended a question and answer session be conducted. Tentative plans call for Percy to arrive about 6:30.

Robert Browning Serving At Camp Pendleton, Calif.

Private First Class Robert E. Browning, son of Mr. and Mrs. Edward A. Browning of 2156 Miracle avenue is serving with the First Marine Division's First Regiment, First Battalion at Camp Pendleton, Calif.

He recently participated in cold weather training at the Marine Corps Mountain Warfare Training Center, Bridgeport, Calif. The training stressed instruction on living conditions and combat operations under extreme cold and snow. It was highlighted by a two-day operation against a mock enemy.

723 Twenty-sixth Place
TR. 6-3085

VALENTINE GIFTS

Junior Girl Scout Troop 45 met Monday afternoon with the leader, Mrs. Betty Richardson, in her home, and with the co-leader, Mrs. Georgia Woodford. The girls started work on valentine gifts for their mothers and began a contest. They are to keep a chart and receive points for daily performances toward keeping clean, neat and well groomed. Scouts present were Noida Walton, Cecilia Barnes, Pamela Cross, Becky Frith, Verna Guss, Marcella King, Carole Laws and Connie Richardson.

CRADLE SHOWER

Mrs. Beckie Needham, 721 Twenty-sixth place, held a cradle shower in her home Tuesday afternoon for Mrs. Shirley Otinger. Games were played and prizes were awarded to the winners.

Mrs. Otinger opened her gifts, and refreshments were served to Mesdames Verna Smith, Irma Parris, Carol Young, Barbara Parris, Jennie DuBoise, Carol Parris, Mable Carter and Belva Leom.

HERE FROM INDIANA

Walter Pogue of Ft. Wayne, Ind., accompanied by two friends, visited relatives in this area over the weekend, including Mr. and Mrs. Grant Harrison and son, Darrell, Mr. and Mrs. Robert Pogue and children, Mr. and Mrs. W. C. Pogue and children and Mrs. Thelma Pogue and Diane and Sherry Pogue.

The trio returned home early Monday morning.

VISIT IN MISSOURI

Mrs. Lillie Anderson and children, James and Judy, 2647 Circle drive, took a combined business and pleasure trip, returning Sunday. They visited Mrs. Anderson's brother and sister-in-law, Mr. and Mrs. Roy Bell of Dittmer, Mo., and both families then went to Salem, Mo., to the home of their sister, Mrs. Pearl Bell and daughter, Betty.

ATTEND SQUARE DANCE

Mr. and Mrs. Grant Harrison, Mr. and Mrs. George Webb and sons, Gary and Keith, Mr. and Mrs. Charlie Elmore and daughter and Mr. and Mrs. Elmer Townsend and son, all of the Quad-Cities, attended a square dance Sunday afternoon in Ad-deville, Ill. Townsend was caller and teacher for the dance.

Mr. and Mrs. Robert Pogue of Granite City, accompanied by W. C. Pogue of Madison, went to Waverly, Tenn., over the weekend. They made the trip to bring Mrs. Olene Pogue home.

She had been in Tennessee for a week due to the illness of her father, who is recuperating satisfactorily in a Nashville hospital after undergoing a lung operation last week. The group returned home early Sunday.

Royal Ambassadors of the First Baptist Church met Tuesday evening. Due to the absence of the counselor and leader, there was no formal meeting; instead a play period was presented. Rev. George Sagon visited and talked about various projects, including a paper drive that the Ambassadors are conducting.

Granite City PRESS-RECORD

Page 18 Thurs., Feb. 6, 1964

ducting. Boys present were Darrell Harrison, Randy Wright, Clifford Baker and Robert Gilbert.

Cub Scouts of Den Four, Pack 404, met Monday afternoon with the den mother, Mrs. Mabel Carter. They sang scout songs, practiced ten yells, made valentines for their mothers and enjoyed refreshments. Present were David Carter, Herbie Davis, Scott Harrison, Billy Hunt, Ronnie Nunney and Gary Gardner and his brother, James, who is a new member of the den.

Mr. and Mrs. John Carter and sons, Gary and David, 2609 N. Nemo drive, had as weekend guests Mrs. Carter's parents, Mr. and Mrs. Cecil Wood of Pearl, Ill.

CYO Valentine Dance

A weekly meeting of the CYO of St. Mary's Catholic Church will hold Monday evening with Tony Ratiwicz, president, in charge. A valentine dance for the club will be held Saturday from 7:30 until 11:30 p.m. at the church hall, Tenth street and Lee avenue.

Park Meeting Brief

The Venice park district board met briefly Tuesday night, approved bills and adjourned. The next meeting is scheduled for March 3.

Recuperating At Home

Mayor Stephen Maeras of Madison is recuperating satisfactorily at his home this week after undergoing a second thoracic operation last week.

Coin Club Auction

The Land of Lincoln coin club will hold a meeting and auction at 2 p.m. Sunday at the YMCA.

By Press-Record Staff Photographer

BRUTUS RETURNS HOME to Diana, 13, and Judy, 6, daughters of Mr. and Mrs. Steve Lopez, 203 Granville street, Venice, Brutus disappeared on Jan. 28 when he was let out of the house to get some air and was found by a service station operator in Pittsburgh, Pa., who shipped the three-year-old boxer to St. Louis Tuesday by jet airplane. Lopez says he has a "nice wooden crate" for sale for \$15.75, the cost of the dog's plane ride. Ownership was traced through a Venice rabies dog tag Brutus was wearing.

Pace Again To Head Memorial Association

Alfred Pace was re-elected president of the Venice Homecoming and Memorial Association, coming and Memorial Association, for 1964 at a meeting Tuesday night at the Venice city hall. Others retained in office were Raymond Robbs, vice-president; William Ebersold, secretary; and Bernard Anderson, treasurer.

Past activities were discussed and it was decided to discuss memorial plans later this year. The group owns a Venice bulldog purchased with proceeds of a yearly homecoming festival, which were discontinued last year.

Daughter Arrives For Former Resident

Mr. and Mrs. Keith Ewing of Atlanta, Ga., are announcing the birth Monday of their first child, a daughter. The infant weighed six pounds, five ounces and has been named Vicki Lynn. Mrs. Ewing is a former Granite Cityan. A daughter of Mr. and Mrs. Frank Varcoe, who now live in Lakeland, Fla., she will be remembered as Ethel Varcoe.

Stove Causes Fire Call

A leak in a gas stove caused a fire in the stove to flare up at 11:30 a.m. Tuesday at the home of Bernard Barczewski, 1725 Elizabeth street. Madison firemen responded and turned off the gas. There was no damage.

Levee Board Also

(Continued from Page 1.)

the delay has cost Chase about \$39,000 and General Piping \$40,000.

The project, part of the district's master pollution abatement program is to be financed by revenue bonds to be sold by Cahokia and Centerville towns.

To date, none have been sold although John Sprague, levee board attorney, estimated the Cahokia bonds would be sold within 30 to 60 days and the Centerville bonds within 60 to 90 days.

Baker said the board had implied work would begin last August but added: "My investigations find no fault with the levee board itself but, by the same token, the board can find no fault with our clients. This seems to be presented to him by circumstances beyond our control—but we must have relief."

Refused the Attorney said the board members said this is not feasible. The matter was referred to the board's legal advisors for study.

Board president Lawrence Baker said he would like to see wanted out of the contract from the first. Before the firm ratified the contract in July, it had been conditioned to be released in a \$26,000 clerical error in the preparation of the bonds.

Tolar told Baker his clients begin work tomorrow "if they have faith that the bonds will be sold." Baker said the firm's consulting engineer sent him a letter Tuesday saying: "My clients can't perform the contracts under existing conditions and they shan't."

In other business, the board accepted resignation of a trustee for the past 15 years. Molla told the Press-Record he was resigning from politics to devote more time to personal business affairs.

Molla was excluded from the levee board candidates endorsed by East St. Louis Mayor Alvin Davis for this year's election. Molla, however, went ahead and filed for candidacy but later withdrew and decided to resign immediately.

The engineering committee reported the G. & H. Construction Co. has completed work in the amount of \$16,738.88 and Joseph P. Keeney Construction Co. work in the amount of \$21,818.83 on Project No. 20-B, construction of the sanitary trunk at Cahokia.

The board also approved an agreement with the Centerville Township for rental of levee district equipment. This agreement was similar to one presented by East St. Louis and the district.

The board also approved an agreement with the Centerville Township for rental of levee district equipment. This agreement was similar to one presented by East St. Louis and the district.

Davis Appoints

(Continued from Page 1.)

fuel tank projects under way, although several are in the planning stage such as the Nametook road improvement and improvements to streets in the Nametook and West Granite areas. Most of the engineering has been completed on the Nametook road project.

Comments By Chairman G. H. Sternberg, chairman of the Street and Alley committee, who presented the city engineer's resolution to the council several weeks ago, commented this morning on the mayor's appointment.

"I am utterly amazed by Mayor Davis' 30-day appointment of Johnston as our city engineer. Recently the city council gave to the mayor a resolution asking him to appoint a city engineer from one of two recommendations."

He presented to him by the combined Street and Alley and Finance committees a group of his own choosing. He saw fit to veto the resolution. The required 11 votes to veto the veto were forthcoming from the council, so the veto stood. Why the veto? He could have appointed Johnston in strict compliance with the resolution. He could have appointed any of his friends, so long as they met the statutory requirements for city engineer.

Now he has appointed Johnston as city engineer for 30 days, a maneuver of questionable propriety. He has no money to pay Johnston in strict compliance with the balance of the \$500 fee still remaining in the budget for a year's consulting engineer services. This amounts to \$416.67 a month. For this Johnston, not a cent has been paid.

Johnston representative will spend full-time in Granite City serving the city's engineering needs in the field and in the office at the direction and request of the city council.

"This \$416," Sternberg continued, "no doubt represents quite a bit of salary for Johnston. It's doubtful that he'll be around long at that rate of pay."

"Mr. Johnston, by accepting the appointment as city engineer, automatically eliminates himself as a candidate for the city's motor fuel tax engineer. The city engineer must be paid wholly from general funds. The MFT engineer must be paid wholly from MFT funds, one man can not hold both jobs."

Contract Expired Jan. 1 The resolution submitted for first reading Monday night was to renew Johnston's \$500-a-year consulting engineer contract which expired last Jan. 1. It was to be back-dated to Jan. 1 and called for the \$500 annual fee along with field-office expenses.

Commenting further on Johnston's appointment as city engineer, Davis said, "That's what they wanted. Now we're going to break up a good engineering department."

A majority of council members have been endeavoring to have a professional, registered engineer hired as city engineer on a full-time basis to meet the demands of the growing community.

In the roll call for first reading of the consultant engineer contract renewal Monday night, only five Aldermen favored it. They were Walter Norr, Casner Skubish, Steve Basarich, Edmund Bartosik and J. D. Bergfeld. Voting against it were Don-

\$2298 from the Elledge Motor Co., \$2295 from Matthews Chevrolet and \$2345 from Farrington Motors. The bids were referred to the purchasing committee for a decision.

Dog License Discussion A dissent discussion was held on county plans to license city dogs in a rabies control program authorized at the last general session of the state legislature.

Kozielek, in raising the issue, noted that the city has its own dog control program. John Gilchoff, city attorney, remarked that "if they don't enforce it, I don't think we've got any problem."

Township tax assessors have been designated as the collectors of license fees for the county, and some have stringently objected. Gilchoff said he hopes Venice Township Assessor Joseph Berghart will refuse to do so. "How could the county enforce this?"

Intent Of Law "I don't know if it is the true intent of the law. I think it was an unpopular law and is an impossible situation," Gilchoff added that the council can decide later if the city license should be repealed or if the county license collection can be enforced.

E. J. Miller, city controller, said, "We're giving service for the \$1 license fee (for many dogs)." He said that last year 33 licenses were issued, but the city humane officer picked up more than 500 stray dogs and took them to the city's animal shelter.

"You are giving the people good service," he concluded, contrasting it with an alleged lack of service which the county would provide.

Laclede Promotes Three To Vice-Presidencies Three vice-presidents were elected at the regular board meeting recently of Laclede Steel Co.

Elected were Paul B. Akin, vice-president of administration; Arthur A. Schweighauer, vice-president of industrial relations; and A. Carl Weber, vice-president of research and engineering. All are from St. Louis.

Laclede operates plants in Madison and Alton.

aid Partner, Paul Rutledge, Samuel Whitmer, Mrs. Gabrielle Betts, Edward Johnson, Clyde Boyd, William Dallas, Charles Moerlein, G. H. Sternberg and Earl Thompson. Alderman William McGee was absent on a business trip.

MISS AZARI HONORED WITH BRIDAL SHOWER

Employees of the Glik department store honored Miss Mickey Azari Tuesday evening with a bridal shower in the home of Mrs. Neil Talley, 3243 Edgewood avenue.

A pot luck dinner was held in the rathskeller, which was decorated with large red valentine hearts and white wedding bells carrying out the "sweetheart theme" of St. Valentine's Day. Games were played and several prizes were awarded, followed by the guest of honor opening her gifts.

The guest list included Mrs. Nick Azari, mother of the bride-to-be, Mrs. Gerald Rosenberg, mother of the prospective groom, Mrs. Ed Rosenberg, grandmother of the prospective groom, and a Misses Edna Stith, Josephine Raynor, Mildred Stuebel, Pearl Kester, Mary Stanfill, Doris Wilson, Nettie Spohr, Sandy Cowley, Eva Shepard, Dorothy Casick, Gertrude Mendez, Virginia Carroll, Johanna Collette, Hetty Boyer, Geneva Duncan, Frieda Yates, Millie Sherman, Jennie Ross, Fay Little, Gussie Hessman, Mary Baumberger, Bertha Witter and Janice Parison and Misses Donna and Mary Talatovich.

The wedding of Miss Azari and Gerald Rosenberg will take place April 4 at the Dewey Avenue Methodist Church.

METHODIST WOMEN DISCUSS DISTRICT MEET

The Women's Society of Christian Service of the Nameoki Methodist Church held its February meeting at the church Monday evening, with 16 members and three guests present.

Mrs. Vivian Glick led the devotion and presented the program, entitled "The Christ Called," assisted by Mrs. Ruth Hancock at the piano.

A brief business meeting was conducted by Mrs. Dorothy Luckert, acting president, and reports were submitted by Mrs. LuAnn Briner. Two forthcoming projects were discussed and

native plans were made to hold a rummage sale on April 18. A date has not yet been set for a bake sale to be held this spring.

Mrs. Luckert announced that a World Day of Prayer will be held at the Mitchell Presbyterian Church on Feb. 14, and all members of the church are being invited to attend.

The annual district meeting of the Women's Society of Methodist churches is scheduled for March 20 at Niedringhaus Memorial Methodist Church. The members also plan to hold a mother-and-daughter banquet in May, which will be made at the April meeting. Mrs. Hancock closed the meeting with prayer.

Refreshments were served by Mrs. Mayme West and Mrs. Irene Pierce to those named and Mesdames Mildred Nancy, Edna Potter, Lillian Russell, Candy Kavala, Jan Kohl, Dorothy Wallace, Yerna Sawyer, Fay Bees, Betty Millwee, Miss Moore Goshong and the guests. Mrs. Volma Presswood, Marilyn Beas and Ann Briner.

The next monthly meeting will be held at the church on March 2.

SENIOR SCOUTS PLAN CAMPOUT

On Tuesday evening at Nameoki Presbyterian Church, Senior Girl Scout Troop 224 held a semi-monthly meeting.

The meeting opened with a presentation each girl with membership pins. The pins were for one year to eight years; each girl has been in scouting a different number of years.

Discussion was held on a trip to Washington, D. C., which is scheduled for 1965. Funds for this project are being raised by selling candy and holding chili suppers. Girl Scout Sunday, which will be observed in March, was announced and the troop will attend services at the sponsor church, Nameoki Presbyterian Church.

Final plans were made for an overnight campout Feb. 11 which the girls will hold at Rainbow

ON LEAVE FROM NAVY

Sergeant Chief Bobbiy Wallace has returned from New Orleans after serving on the U.S.S. Batfish. He has served 16 years in the Navy and will re-enlist for four more years.

During his furlough, he is visiting here with his mother, Mrs. Mertie Wallace and his brother-in-law and sister, Mr. and Mrs. Jackie Downs, 2817 West 22nd street. He will spend two weeks here and then return to New Orleans for his re-enlistment.

Cub Scouts of Den Five of Pack 19 held a weekly meeting Tuesday evening at the home of the den mother, Mrs. Elsie Whitehead, 2917 Roosevelt avenue. They opened their meeting with the Cub promise and continued to work on gifts for their mothers.

The meeting was closed with the den yell. Games were played and refreshments were served to Dennis Johnson, Billy McKee, Wayne Whitehead, Paul Luthy, Ricky Smith, Mike Holloway and Dennis Reville.

JUNIOR SCOUTS MEET

Junior Girl Scouts of Troop 160 held a weekly meeting Monday evening at the Washington school cafeteria. The meeting was opened by repeating the laws.

Sixth grade girls reported on cooking badges, and fourth and fifth graders worked on "dash-bird" badges. The girls also sang. The meeting was closed with the scout song.

Thirty-six members were present with their leader, Mrs. Virginia Kessler.

MEXICAN GROUP TO HOLD MAY FIESTA
The board of directors of the Mexican Honorary Commission held a special meeting Sunday at the home of Louis Beerra, president.

Plans were discussed for a May Fiesta celebration. There will be another meeting on Feb. 16 to discuss further plans for the fiesta.

All members are being invited to attend. Those interested in becoming members may attend the meetings.

FREE TRIP TO HAWAII

TOPMOST FOODS CONTEST

GRAND PRIZE

FABULOUS 7-DAY "HAWAIIAN HOLIDAY" for Two!

You will fly to the West Coast by domestic Jetliner and on to Honolulu in comfort and speed in a giant PAN AMERICAN JET CLIPPER with cuisine from MAXIM'S OF PARIS and complimentary champagne.

A Pan American car will then take you to the Famous Hilton Hawaiian Village Hotel where you will stay for six lovely nights. While in Hawaii you will be able to enjoy an evening of exciting dining and dancing at three of Hawaii's most interesting night clubs, plus cruises, tour and a look at the Hawaiian Village Hotel. Every detail is planned for you from the time you leave until you fly home again with memories for a lifetime.

HERE'S HOW TO ENTER...

Write why you like TOPMOST FOODS in 25 words or less on the back of any Topmost Label or on contest entry blank. Place in Contest Entry Box at your supermarket or mail to Topmost Contest, P.O. Box 7049, Main Post Office, St. Louis, Mo. (51717). Winners will be determined on basis of (a) appropriateness, (b) clarity, (c) sincerity, (d) originality and (e) aptness of thought and expression. Judges' decision will be final. Contest begins Thursday, January 30th and ends Saturday, February 22nd. Any person 21 years of age or older is eligible to compete, except employees of participating stores and Pan American Airways. There can be no substitution for prize awarded - Trip must be taken by August 31, 1964.

50 YEARS AGO
GRANITE CITY PRESS-RECORD
 FEBRUARY 6, 1914
 Presiding for the first time at a monthly meeting of the Granite City Commercial Club, President W. J. Coudy announced the formation of an advisory board composed of Clarence H. Howard, George W. Niedringhaus, Fred Kohl, August Nieman, E. W. Hiller, C. F. Stetzel, D. J. Murphy, M. Hanson and Coudy.

The club decided to send Hiller, Kohl and John R. Keelbach to Washington to appear before the Interstate Commerce Commission and protest against a proposed change in coal rates.

The entertainment committee of the Tri-City Central Trade Council was host to the council delegates Wednesday evening at a luncheon and smoker. It was decided to visit affiliated lodges and take up the proposition of purchasing a lot and erecting a labor temple.

With the exception of the Venice lodge of the Modern Woodmen of America, the other camps of that order in the Tri-Cities will be present.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record

MONDAY, FEBRUARY 6, 1939
 The Ladies' Friday night Thursday in the social rooms of the First Presbyterian Church and was entertained by Mrs. John Tate.
 Mrs. Clarence Armfield was in charge and called the attention of the club members to the fellowship meeting of the 22nd District, Illinois, at the Women's Clubs, to be held Thursday of this week at the Evangelical Church.
 The program was given by two high school students, Richard King and Elizabeth Hamann. The former read "Of Mice and Men" by John Steinbeck and the latter gave "Winter," by Maxwell Anderson. Mrs. James Lynch was program chairman for the evening. Hostesses for the next meeting will be Mrs. Charles A. Uzzell.

Mrs. Leta Hegel was in charge of a meeting of the American Legion Auxiliary Friday night. After the business, games were enjoyed. Mrs. Martha Montague, Mrs. A. K. Nicol, Mrs. Minnie Grob were winners in pinocchle and Mrs. Mary Westlake in bridge.

Mrs. Minnie Gotschall was hostess for Thursday afternoon when the Women's Union of St. John's Evangelical Church met for a monthly program at the church.

Mrs. Edna Brennan was in charge of the dance at the "Bridging Barrier Barriers." It was presented in the form of a playlet entitled "East of Nowhere," with Medesmes, Carrie Lib, Link, Eva Brandes, Carrie Lib, Edna Hannan, Louise Brinkhoff, The Irma Schoppe, Minnie Wein and Clara Harbig taking part.

Mrs. Ben Thomas, 202 Delmar avenue, entertained the David's Auxiliary Thursday night at her home.

It was the regular monthly meeting and there was the usual business hour, with Mrs. Earl Galligan, program chairman and contests provided entertainment and Mrs. Dawson Pugh and Mrs. Fred Werner were winners of prizes. The next meeting is to be with Mrs. T. H. Thomas at the same address.

Mrs. Harry Schooley held a regular meeting of the Social circle of the Presbyterian church Thursday in her home on Fifth street in Madison.

After the business was finished, contests were played and prizes were awarded to Mrs. Carl Bohn and Mrs. Marie Fozie.

High Pay For Madison, Venice School Treasurers, Secretaries Continuing

In an era of cost-income squeezes in educational systems, it is surprising to see a continuation of unnecessarily high spending on appointive positions that do not involve extensive work. Yet the latest annual fiscal statements, for 1962-63, show \$1500 paid to the board secretary, \$1200 each to the Madison and Venice school treasurers and \$900 to the Madison school board secretary.

Duties of the positions may vary slightly in each school district, but in an interesting comparison is provided by the amounts paid in the Granite City district, a larger school system with more funds and board transactions. The secretary receives \$240 a year and the treasurer nothing at all. A board secretary keeps track of business conducted during board meetings, sometimes with secretarial help, and prepares the official minutes. He handles some correspondence and is one of the officers whose signatures are required on various school documents. Board members, who have been known to devote considerable time to their duties, are not salaried, as are other board members. The theory is that they can concentrate on advancing a sound educational program, with no thought of personal gain.

The Illinois Association of School Boards commented prior to the start of the new school treasurer program July 1, 1962, that "no longer will the treasurer keep any detailed records of the school district. His sole function will be that of custodian of the school funds. The record he shall keep will be a simple cash book showing the amount he has received, paid out and has on deposit in each fund. He will furnish the board a monthly statement. The accounting records of the school district shall be kept by the superintendent."

School treasurers require that political considerations be taken into account. Minimum salaries for treasurers and secretaries would conform to this concept. When the positions are used instead as excuses for high salaries, questions cannot help but arise in the minds of taxpayers and parents.

Good News For The Many Granite City Ice Skating Enthusiasts

Hiring of an architectural firm puts the Granite City park district a step nearer the goal of establishing an artificial ice skating rink for the season beginning next fall. The action should enable plans to be drawn up and construction in time for installation of the rink during the 1964 construction season.

Initial costs are to be kept within reasonable bounds by utilizing existing restrooms and concessions facilities. The rink, to be 85x100 feet in size. We venture to predict that the response will be such that expansion of the ice surface will be possible after the first few seasons; large attendance would undoubtedly indicate the need and also help provide the funds.

Experience elsewhere has shown that such rinks and related sales and rentals provide a steady flow of revenue to meet operating costs and payroll and to repay construction costs. Judging by the large amount of skating on an occasionally available makeshift ice slab admittedly lacking in smoothness, many families are looking forward eagerly to the ideal skating area to be established in Wilson Park.

One of the tragedies of life is the murder of a beautiful theory by a brutal game of facts.

GC Postwar Tax Burden Up 586%

Current announcements relating to assessments for the new year give a hint of the past. Rates are unable to provide a full perspective.

A study covering a 17-year period supplies a broader picture plus an interesting statistic—the Granite City tax dollar of 1947 was worth \$2.67 of the 1964 dollar. The tax dollar of 1947 was worth \$2.67 of the 1964 dollar.

Mr. A. A. Bush is spending several days in Villa Grove, where he formerly lived.

586% Increase In Granite City Property Tax Total Since War

An article elsewhere on this page today traces the tax trend in Granite City and Madison county since world war II. Its findings include the fact that the annual tax burden in Granite City has increased by the startling margin of 586% during that time.

There are many qualifying factors, including the rapid growth of the city, the understandable rise in wages and equipment costs, and the possibility that assessments were too low in 1946. The burden here is not so heavy as to prompt moves to other communities, many of which have even more serious problems in terms of the tax base-population ratio; on the contrary, most surrounding cities offer fewer services at higher cost to homeowners.

But a valid point is that whatever taxing leniency existed here in the past has been ended. It would not be correct to contend that Granite City taxpayers are failing to do their part in providing adequate financing of basic governmental functions. Generalizations that may have been accurate in the 1940s no longer apply.

Surefire Campaign Strategy—Win The Pet Owners' Vote

Should dogs have taken up residence in the big city, state legislators would assess a license fee in effect in rural areas? Worse, should there be dual licensing and fees? For shame! One already can hear the cries of anguish beginning to emerge from every public official who ever posed with his arm about a friendly canine.

One could become more concerned about the dire threat confronting pet owners throughout the state except for the fact that confiscatory pet taxes make so little sense. Legislators, who cannot believe state legislators were in full command of their faculties when the license bill was adopted last year; we prefer to think that it was one of those measures that slipped through during the last-minute logjam when time was so short and voting was so fast and furious that it is a wonder even more implausible laws did not result.

Some fine Illinois legislators may wake up to find the capital moved to Apple River or Greenup or Flat Rock, the state renamed West Indiana, or some other unlikely eventuality—a result—all because of the legislature's rush to beat its adjournment deadline.

Already we can visualize one or the other of the parties—or perhaps a third party—seizing on the dog campaign as a sure-fire election strategy. "Don't separate little Ned (or little Nell) from his (or her) pet."

With the SPCA and others joining the bandwagon, it should be difficult to win every state position and the Illinois House and sweep many county candidates into office on a tidal wave of tears for the plight of poor Rover. If campaign posters were prepared bearing the likeness of a dog gnawing soulfully at its owner, it might prove to be a better election platform than patriotism or motherhood.

No Cause For Celebration

Those who have tired of observing too many special days, weeks and months will not have to be concerned about celebrating Children's Dental Health Week this year.

As long as water fluoridation remains blocked by the Granite City council, there is little cause to celebrate; children's dental health here is at a needlessly low level.

Now that the groundhog has seen his shadow, we can get on with the rest of the winter weather, which we would have had anyway.

Prospect Of Larger GC School Election Turnout

As the largest taxing body in the Quad-Cities, the Granite City school district has attracted discouragingly few votes in its yearly board elections, sometimes resulting in defeat of outstanding board members or candidates. Those who do not vote play into the hands of politicians and pressure groups.

Tentative plans for a bond issue and tax rate referendum on the eve of the next board election could have the effect of increasing the number of persons casting ballots on the important board positions. When there is a large and representative turnout, the school board will be a greatly improved chance of victory for candidates pledged only to the basic goal of the educational system—what is best for the students.

The county tax rate has increased since 1947 and 1958, where it held constant at 21.2 cents on \$100 valuation, or 151% of the 14-cent rate in 1946; and the result is that the tax burden has climbed from \$654,343 to \$1,753,238, or 267% of the previous burden.

The climb in county percentage taxes has never exceeded 17% except in one year, 1961, when it was 30% climb from \$1,834,268 to \$2,387,875. It dropped 36% to \$1,753,238.

Granite City taxation has been a different story. Although assessments decreased rather than rose on three occasions, and the rate total fell in three years, the tax burden has risen steadily in the tax burden every year, without exception.

Coins Lead Collection Hobbies

(Charles Hileman and Lawrence Jones, officers of the local coin club, explain in this article the collecting hobby that has attracted 3000 to 4000 Quad-Cityans.)

What is a coin collector? A collector is one who for various reasons buys or acquires coins for his personal satisfaction. He can be anyone from a newby to a banker. Together, collectors form a group whose numbers are unknown but is estimated to be between eight and 15 million.

The species is as varied as the population itself. Men, women, boys and girls are motivated by the desire for fun, education, adventure or profit. They have chosen what is now considered to be the major hobby in America.

In the Quad-City area there are between 3000 and 4000 such collectors. They collect everything from pennies to \$20 gold pieces, both foreign and domestic. Some collections are valued at a few dollars; others at over \$100,000. At a recent coin show in Granite City, sales of coins and supplies went over \$5000 in a few hours.

How To Start
 How does a collector go about starting a collection? First, he may select one denomination, such as cents, nickels or dimes. A series is all of the different dates and mint marks of a particular coin type, such as the Lincoln penny or mercury dime.

He may purchase a coin folder, listing dates and mint marks of a series and go about searching, trading or buying the coins needed to complete the series.

To aid him in his quest, he may subscribe to one of the many national publications, the "red book," the annual "Guide Book of U. S. Coins," which gives the history and current value of all U. S. coins minted from 1793 to date.

As a collection grows, he realizes the need for more and more information. He seeks it in coin clubs, where he may affiliate with the local club, known as the YMCA Land of Lincoln coin club, which meets on the second Sunday of the month at 2 p.m. and the fourth Wednesday at 7 p.m. at the Y.

Trade Duplicates
 There, he will be welcomed by a group of Quad-Cityans of like interests. This will give him a chance to learn about coins from others. He can trade duplicates coins or perhaps purchase what he needs from fellow members.

As a collector, he can collect coins secretly, keeping what he learns to himself. But he will never know the joy of sharing his hobby with others, or the fun of showing a scarce or rare coin to fellow collectors.

Another advantage of membership is attendance at coin shows sponsored by the club or by clubs in neighboring towns. About a dozen shows are held within a 50-mile radius of Granite City each year.

Suppose a person has decided what he wants to collect and has found a coin that he feels may be valuable. He must then learn the basic principles of grading because this will have a direct bearing in determining the value of his find.

For this purpose, most collectors use a system devised by a man who made a long study of coins and developed a standard system of grading a set. This is the "Sheldon" system, named after the man who developed it. It is a direct bearing in determining the value of his find.

GOVERNOR KEENER REPORTS

STATE TO PAY EXTRA 1964 ELECTION COSTS
 Meeting in special session for more than three weeks, the General Assembly recently approved a compromise procedure for the coming at-large election of members of the Illinois House of Representatives.

I signed the legislation into law last week, one day after its passage and less than 24 hours before a deadline that could have resulted in a blanket-sized ballot and chaotic conditions in the forthcoming primary and election.

The at-large situation arose because the Illinois Constitution, by a 1955 amendment, requires that the House of Representatives be restricted every 10 years. In the absence of any other provision, the constitution required to run on a statewide basis—the situation that exists in 1964.

Despite the fact that an at-large election was required, the law made no provision for the holding of such an election. It was for this reason that I called the legislature into special session and presented a program to ensure an orderly primary and election.

Key Proposals Accepted
 After a great deal of discussion and dispute, the following bipartisan agreement—based on my original proposal—emerged: 1. Each major political party will nominate House candidates for the at-large election to be held June 1 in Springfield. Each party may nominate no more than 18 candidates for the 177 seats thus ensuring minority representation. The conventions may nominate less than 118 candidates.

2. Voters will choose convention districts will be used as the basis for a selection of delegates to the at-large election. Two delegates elected from each district. Delegates will have weighted convention votes based on the number of votes cast in their district during the last general election.

3. The normal cumulative voting procedure for representatives will not be applicable for at-large elections. Each voter will have 177 votes for representatives in the November election, but can give only one vote to each candidate.

4. Separate orange-colored ballots will be used in the election of state representatives in the fall. The ballots will be cast into separate orange-colored ballot boxes. The ballots will be taken to central locations in each county for counting.

5. Counties will be reimbursed by the state for expenses incurred because of the at-large election. This includes such items as the cost of printing additional ballots and hiring more election personnel.

6. The election procedure, of course, just pertains to the nomination and election of party candidates. Independents are not affected.

EDDIE THE EDUCATOR says "BE PREPARED"

Observe Boy Scout Week February 7-13. The Boy Scout motto "Be Prepared" is a worthy educational motto for all of us.

Illinois Education Association

Constitutional Right?

City's Ban On Barmaids Continues--Challenged

The U. S. Constitution may be reviewed for the next installment of the battle of the barmaids in the Granite City council.

An amendment to the city liquor control ordinance, which now forbids women — other than a licensee for a tavern or the wife of a licensee — to tend bar failed to receive a sufficient vote for passage on second reading Monday night. The vote was 8-7 favoring the amendment, but the motion was declared to be defeated because nine votes, a majority of elected aldermen, is required for passage.

Equal Rights For Women

Alderman Gabriel Betine called for a legal opinion from City Atty. George Fiehoff in pointing out recent equal rights for women rulings in Washington.

Deadline For Displaying License Plates, Feb. 15

There are still over 1,000,000 motorists who have yet to purchase their 1964 plates with Feb. 15 the deadline for displaying them, Charles F. Carpenter, secretary of state, warned this week.

Carpenter said, it is too late to make applications for plates by mail because it takes about two weeks to process applicants and deliver by fourth class mail. Motorists still showing 1963 plates after Feb. 15 will be subject to arrest. Licenses may be purchased directly at Springfield.

STUDYING PLANS for National Science Foundation summer mathematics institute to be held at Quad-Cities-Edwardsville campus of Southwestern Illinois University July 6-Aug. 21 are (left to right) Robert N. Pendergrass and Eric A. Sturley of SWIU's mathematics faculty. Pendergrass will direct institute which will accept 35 high school math teachers for its seven-week session.

SWIU Plans Mathematics Institute For Teachers

A National Science Foundation mathematics institute for high school teachers will be conducted next summer for seven weeks on the Quad-Cities-Edwardsville campus of Southwestern Illinois University.

Sessions will be held at SWIU's East St. Louis center from July 6 to Aug. 21, according to Robert N. Pendergrass, co-chairman of the university's mathematics faculty and institute director.

Thirty-six teachers will be accepted, Pendergrass said, with about half of them selected from applicants in nearby communities and the rest from a wider geographic area. They will receive stipends of \$75 per week, with dependency allowances of \$15 per week for not more than four dependents.

The institute program has been planned specifically to meet the subject matter needs of teachers who have been out of college for a number of years.

Each teacher will be permitted to take courses giving 10 quarter hours of graduate credit in mathematics that will count toward the master of science in education degree at SWIU's campus.

In addition to the regular activities of the institute, a series of lectures is planned to bring noted speakers from both Europe and the United States before the teachers attending. Other instructors will be Clennie C. Oursler, Eric A. Sturley and Lloyd K. Williams of the SWIU mathematics faculty.

This marks the first National Science Foundation institute to be held on the area campus of the university.

Congressional Action Group To Meet Monday

Plans for 1964 activities and for attendance at the Aircade for Citizenship Action Feb. 13 in Indianapolis will be made by the Chamber of Commerce Congressional Action Committee at an organization meeting Monday, Feb. 10. A luncheon will be held at noon at the Elks club, followed by a business session at the YMCA.

Chairman Samuel Meyer has announced that four subcommittee reports are to be presented. The committee consists of Chester L. Baker, J. P. Busch, Henry R. Gabriel, James R. Harsh, James M. Henderson, William F. Hoelscher, David B. John, E. A. Karandjeff, Harold F. Karandjeff, Howard W. Kaseberg, Dr. Harold M. Kaiser, Rod W. Key, D. F. Little, Carl E. Mathias, David Morgan, Ken-

GC Township Borrows \$40,000 For Relief

A loan of \$40,000 to replenish the general assistance fund for relief purposes was approved Monday night by Granite City council members in their capacity as the town board of auditors.

The money is to be borrowed in the form of a tax anticipation warrant at the rate of 4% interest. It was requested in a letter sent to the council by township supervisor Nelson Hagmuer.

The letter was read at the start of the council session shortly after 9 o'clock, but the council was unable to find the tax anticipation resolution. It was carried into the council room about 9:10 p.m. by town attorney George J. Moran. It was read and approved.

Slim \$4621 Balance

In his monthly financial report to the council, supervisor Hagmuer listed a \$4621 balance in the general fund account for the township. Disbursements during January amounted to \$7740. In the town fund, there was a \$10,921 balance on Jan. 31, with disbursements during the month totaling \$2674.

Current bills for both the town and relief funds, also approved by the council, amounted to \$4523, including \$1170 for town fund expenses and \$3353 for relief.

Relief costs were \$2132 for food, \$72 for prescriptions, \$381 for rent, \$72 for fuel oil, \$51 for nursing home care and \$16 for utilities.

Administrative costs were \$495 half-month salaries for the office staff, \$75 for office rent, \$57 for office utilities, \$4 for supplies and \$38 for office equipment.

Town fund disbursements were \$462 half-month salary total for officials, \$220 half-month chief clerk salary, \$360 salary for three deputy assessors, \$16 for janitor service, \$75 for assessor office rent, \$11 for office utilities, and \$24 for supplies.

Stop dry air damage all during the heating season

THAT "DRIED OUT" FEELING

Heated air in the average home is drier than the Sahara desert. This causes dried-out nasal tissues and discomfort. It can leave the way for coughs and colds. When you heat—humidity.

FURNITURE COMING UNGLUED

Dried-out air in your heated home damages furniture, pianos, carpet and drapes. To prevent cracks, unglued joints, take this advice: when you heat—humidity.

OVERHEATING TO KEEP WARM

If you and your family feel cold no matter where you push the thermostat, watch out. You may be overheating. Dried-out heated air feels cold when it isn't! When you heat—humidity.

TRY THIS HUMIDIFIER FREE

Prove it to yourself. We'll put this handsome, automatic Toastmaster humidifier in your home and let you use it for five days FREE. Then, if you wish, it's yours for \$5 down, balance monthly. Call your Illinois Power office.

Committees Named For Ministerial Group

Committees were named during the February meeting of the Quad-City Ministerial Association Tuesday at St. John United Church of Christ.

The Rev. Bill Bryan, pastor of the Good Shepherd Evangelical United Brethren Church, presided and announced the following committee assignments for the year:

Public relations—Rev. Keith Stanford, chairman, Raymond Switzer, James R. Craddock and Howard White; radio—John D. Giacomo, chairman, Arvin Twietmeyer and Boyd Wolverson; special services—Paul Sims, chairman, Sherman Wilcox, William Craven, George B. Reader and Oscar Ellridge; social concerns—Paul Surbey, chairman, Harry Colquhoun, Alfred Bula, Capt. Mildred Walker, Clark Clark and B. E. Hiltbert; hospital—Robert Baumann; Christian Education and Youth—Raymond Troyer, chairman, Frank Wieman, B. G. Mehling and Truman Collins; Protestant Welfare—George S. Sager, program—Little Cox, chairman, C. M. O'Guin, Eugene Beasley and Samuel Boda.

6 Bids Under Study For Emergency Vehicle

Under study by the Granite City council's Fire and Water committee are six bids received for a new fire department emergency vehicle to be bought for the city by the Granite City Rotary Club from its annual horse show funds.

The bids, ranging from \$2524 to \$2913, were opened during Monday night's council session by committee chairman Ford Johnson.

A breakdown follows: B. E. Hiltbert, \$2524; Ellridge Motor Co., \$2525; Matthews Chevrolet Co., \$2615; Farrington Motor Co., \$2640; Brewer Motor Co., \$2638; and Miller Motor Co., East St. Louis, \$2913.

The Rotary Club is purchasing the vehicle and emergency equipment under a civic project program which has been carried out since the horse show was started several years ago. The city is planning to assign one of its two emergency vehicles to the West Granite area.

Wide Variety Of Business

Campout To No-Parking Keeps Council Busy

Busby Granite City council members covered a wide range of business Monday night—all the way from okaying a Boy Scout campout on the city hall lawn to authorizing preparation of ordinances to establish no parking zones.

The city council met at 7:30 p.m. in the 12-14-acre Colmanes nursing home along West Pontoon road, authorized two police officers to attend a law enforcement photography seminar at Chicago and called for a study of double parking by trucks in the business district in an effort to halt the practice.

Boy Scout Troop 18 of Sacred Heart Church will campout Friday and Saturday at the city hall lawn under the guidance of Henry Helrich, scoutmaster.

No parking zones requested by the city are to be set up along Wilson avenue in front of the city high school and along the south side of Edwards street for a distance of 116 feet west of Edwards avenue.

Four-Way Stop
Approved was an ordinance establishing a four-way stop intersection at Waterman and Vine avenues in front of the city high school. The ordinance was approved for probationary police patrolman Richard L. Woods, 1800 Poplar street, and for school crossing guard Cecil Townsend.

Five court summons for foreclosures, both U.S. District and Circuit, were presented to the council and referred to the city attorney. In each instance, the city is owed several rental charges. In the U.S. District Court are the cases of the Federal National Mortgage Co. vs. Percy and Bertha Adams; Charles and Constance Rogers; John and Margaret Neufeld; Wilburn T. and Alma Castle; Rhuben and Freda Street; Russell D. and Ruth B. Smith and Charles and Hazel Ridenhour. Allowance of \$50 for each of two policemen who will attend the two one-day seminars on law enforcement photography were approved. The seminars are to be held Feb. 20 and 21, and police chief William E. Alderman, Paul Rutledge, chairman of the Finance committee, reported the committee was dissatisfied with proposals received for city liability insurance and will continue looking into the matter.

The Street and Alley committee

200 Volunteers Enlisted For Heart Sunday, Feb. 23

Over 200 volunteers have been enlisted to aid in the Heart Sunday Fund Drive, Feb. 23, according to Terry Francis, chairman. Francis said, "These people will carry the heart story to their neighbors, disseminating information about heart disease and how the Heart Association is helping to combat this disease in the community."

He also announced that Walter Rayvold, Robert Spengler, Daniel Linder and Kenneth Hartberger are the captains of the business and industry drive that will be conducted in conjunction with Heart Sunday.

was asked to determine a possible solution to double parking by delivery trucks in the downtown business district. It was pointed out that the racks double-park even if parking spaces are available, and that the practice not only is hazardous but also creates congestion.

Rejected by the council was a proposal by an advertising firm to install 50 concrete and wooden benches at bus stops throughout the city without charge to the city. The firm wanted an exclusive franchise for the benches and for the advertising. City Atty. Filloff pointed out the franchise would be for 10 years, and that the benches could prove hazardous even though the firm would provide liability insurance.

G. H. Sternberg, chairman of the Street and Alley committee, reported that bids should be sought this week for the paved drainage ditch to be installed at Spaulding and Vesel avenues. The city is to pay half the cost, and the developer is to pay the remaining \$451.

He also reported that Potter

Electric Signal Co. is ready to start the installation of the lift station warning system and that the work should be completed in six to eight weeks.

The city attorney reported the city's suit for removal of a rock pile at Braden avenue and the railroad tracks has not been listed on the circuit court docket, and that the suit to force the developer to install drainage and sewer lines to serve the Mercer drive area is subject to the motion docket in the circuit court. Filloff advised Alderman Johnson that he would continue to request hearing dates as early as possible.

Casmer Skulish asked the street and alley committee to inspect an open ditch along the south side of East 23rd street between Alexander and 23rd street to determine if residents' requests that it be filled can be met. He explained that with recent improvements to the side streets, including drainage line installation, the ditch should no longer be needed. He added that the state highway department maintains East 23rd street at that location.

Rave Named To Board Of Dow Metal Products

William J. Rave, manager of the Dow Metal Products Co. metals department at Midland, Mich., has been appointed to the board of the metal products division of the Dow Chemical Co. It was announced today.

He replaces Dr. J. D. Hanawalt who recently retired. Gerhard Ansel, manager of the Dow Metal Products production plant at Midland, also is a member of the board.

Rave is a former manager of magnesium production facilities at the company's Freeport, Texas, division. The company produces aluminum and magnesium mill products at plants in Madison and Jackson, Mich.

Defense Department Seeks Teachers For Overseas
The Department of Defense is recruiting teachers and school administrators to fill job openings located in Europe and the Far East. Overseas recruiting representatives will be at the Missouri State Employment Office, 205 Washington avenue, St. Louis, from 9 a.m. to 4 p.m. on Saturday and Sunday.

The department operates overseas schools for dependents of military and civilian personnel, grades one through 12.

WILLIAM J. RAVE, manager of the metals department at the Dow Metal Products Co. facilities at Midland, Mich., who was appointed as a member of the firm's board of directors.

Miss Zimring, Barron Finer Are Engaged

Announcement has been made by Mr. and Mrs. Ben Zimring, 7 Birnwoods lane, Olivette, Mo., of the engagement of their daughter, Miss Eleanor Zimring, to Barron Lee Finer, whose parents are Mr. and Mrs. Ben Finer, 54 Pricewood lane.

A granddaughter of Mrs. Sadie Zimring and the late Frank Zimring of Zimring and Sons Candy and Tobacco Co., the bride-to-be is a graduate of Horton Watkins high school, St. Louis, and is presently attending the University of Missouri. Her fiancé was graduated from the University City high school and will graduate from Washington University in June. He plans to enter the University of Missouri Law School in September. His fraternity is Pi Lambda Phi.

An August 23rd wedding is being planned by the couple.

Miss Stainton Wed In Mexico City

Mr. and Mrs. H. E. Stainton, Bloomington, Ill., are announcing the marriage Jan. 28 in Mexico City of their daughter, Miss Judith Anne Stainton, to Arturo Daniel Torres of that city. Mr. Stainton is a former Granite Cityan and the bride is a granddaughter of J. J. Braden, 2500 Delmar avenue, and the late Mrs. May Braden.

The former Miss Stainton attended Illinois Wesleyan University and was graduated from the University of Texas where she became a member of Kappa Alpha Theta. Prior to her marriage she was a medical technologist at Gaston Episcopal Hospital in Dallas, Tex.

Mr. Torres is a son of Mrs. G. D. Guerra of Edinburg, Tex. He is a graduate of the University of Texas and received his law degree from the University of Texas Law School. He served four years as a pilot in the Naval Air Force and is now an attorney representing the Mexico City branch of the First National Bank of New York. They will reside in Mexico City.

National President Of DAV Auxiliary To Visit Chapter

Mrs. Mildred Taylor, of San Jose, Calif., national commander of the Disabled American Veterans Auxiliary, will visit the local Chapter and Auxiliary on Wednesday, Feb. 12.

Mrs. Taylor has long been active in Auxiliary work in California. She is a teacher in the San Jose schools and is on leave to devote more time to DAV Auxiliary affairs. Americanism and hospital programs are her special interests.

Arriving in Granite City at 6 p.m., following a welcome and visit in East St. Louis, she will be met by Auxiliary Commander Helen Miller and the Auxiliary Unit and Chapter. Mayor Davis will present to her a key to the city. She will be accompanied by Helen Hess of St. Louis, national fourth junior vice-commander; Martha Pantos of Chicago, of the national publicity department; Dept. Adj. Elva Johnson, East St. Louis, and Unit Commander Etta Logan, East St. Louis.

Dinner and entertainment will be features of the evening.

MISS TERESA GRIFFITH TO BE SATURDAY BRIDE

Plans have been completed for the wedding Saturday, Feb. 6, of Miss Teresa Griffith and Donald Sinclair.

The ceremony will take place Saturday morning at St. Mary's Roman Catholic Church in Madison. The bride-to-be is a daughter of Mr. and Mrs. Frank Griffith, 4245 Highway 102. Mr. Sinclair's parents are Mr. and Mrs. Robert Sinclair, 2505 Lynch avenue.

NATIONAL DAV AUXILIARY Commander Mildred Taylor of San Jose, Calif., who will visit the local DAV Chapter and Auxiliary Wednesday, Feb. 12.

St. Peter Guilds Meet Jointly, Plan For Lent

Mrs. William Sill of Collinsville gave the program Monday evening at a meeting of the evening and afternoon guild of St. Peter E. & R. Church. She reviewed the book "Leave Your Tears In Moscow" by Barbara Armonas, and described the life in Russia under the rule of Stalin.

Mrs. Ronice Branding, president of the Afternoon Guild, and Mrs. Johanna Lampe, vice-president of the Afternoon Guild conducted separate business sessions and the evening group announced the selection of a nominating committee. Those serving will be Mrs. Laura Taylor, Mrs. Georgia Boettiger and Mrs. Elsie Schill.

Mrs. Frances Knobloch was in charge of the devotional service assisted by Mrs. Arline Brinkmeyer and Mrs. Annabell Patton.

The members were reminded of the World Day of Prayer service to be held Feb. 14 at the Mitchell Presbyterian Church, and the Ash Wednesday Lenten, quiet hour at 8:30 a.m. Feb. 12.

A Valentine party was held after the meeting and refreshments were served. Mrs. Hulda Davis, Mrs. Boettiger and Mrs. Joyce Matson made up the dining room and kitchen committees.

Valentine Party Held At Meeting Of Evening Guild

The Evening Guild of St. John United Church of Christ met Monday for a Valentine party at the Church with 35 members and several guests present. The latter were Mrs. Donna Theis, Mrs. Sarah Huber, Mrs. Roberta Werner and Miss Terry Lawlor.

Mrs. Vivian Davis led the devotions, the topic of which was "Ye Shall Be My Witnesses." She was assisted by Mrs. Dorothy Schanuel.

The birthdays of Mrs. Opal Sipes, Mrs. Jane Craig and Mrs. Karmyn Wagner were observed and Mrs. Helen Robertson, president, conducted the business session.

Announcement was made of the World Day of Prayer service to be held Feb. 14 at the Mitchell Presbyterian Church and plans were made for making hospital packets and layettes for Church World Service. Also discussed was the annual "blanket Sunday" March 16 sponsored by Church World Service.

After the meeting a Valentine party was held in an appropriate setting and secret pals were revealed. New names were drawn for the coming year.

Mrs. Wilma Willard, social action chairman, who was in charge of the program, reported on the Social Action Institute held in January at St. Peter E.&R. Church. In connection with the report a film entitled "The Procession" was shown.

Refreshments were served after the meeting by the hospitality committee composed of Mesdames Wilma McQuinn, Harriet Bunselmyer, Imogene Buer and Martha Bischoff.

VISITING DAUGHTER

Mr. and Mrs. William R. Ebel of Lakewood, O., arrived in the city Monday for a week's visit with their son-in-law and daughter, Mr. and Mrs. Parker Bigley and their family, 2016 Ames avenue.

Valentine Party For Rotary Anns

Mrs. C. E. Townsend, Mrs. A. H. Froemling and Mrs. Hal Scharf entertained the Rotary Anns at a Valentine party Tuesday afternoon at the Rose Bowl. Twenty-three members and a guest, Mrs. Jesse Clements of Cumberland City, Tenn., a former Granite Cityan, were present.

Luncheon was served at tables decorated in keeping with the season and a guessing contest was held to select the "sweetheart of yesterday" who proved to be Mrs. Warren Decatur. Baby pictures of the members were displayed as old fashioned Valentines framed in lace paper and after the identity of the winner was established she was crowned and presented with red rosebuds. Another winner, the "sweetheart of today," was chosen. The latter was Mrs. Alfred Buls. She too was crowned and presented with flowers. Mrs. Froemling was present to take pictures of the "sweethearts" and the group.

Mrs. Ed W. Meng, president, conducted a short business meeting, and the remainder of the time was spent at games, the prizes going to Mrs. Homer Huber, Mrs. Eugene Coe, Mrs. Carl Mathias, Mrs. William Hoedebek, Mrs. Meng and Mrs. A. C. Stover.

Others attending were Mesdames Glenn Abenroth, Muri Anderson, Sidney Aubrey, Harvey Bulke, G. W. Hoelscher, William Huxel, Arthur Koepfer, E. G. Schmitt, Walter Sons and William Justin.

Hostesses in March will be Mrs. Loren Davis, Mrs. Paul Stout and Mrs. Vincent Bischoff.

Elkettes Plan Sweetheart Dance

The regular monthly meeting of the Elkettes was held Tuesday evening at the Elk's Club with Mrs. Helen Todd presiding. Forty-six were present, including one guest, Mrs. Sylvia Baylak.

The evening was spent at games and awards were made to Mrs. Mary Corcoran, Mrs. Pat Schmidt, Mrs. Hulda Davis, Mrs. Essie May Jones, Mrs. Joyce Barnes, Mrs. Ann Gasparovic, Mrs. Bess Weiss and Mrs. Verla Clark. The special prize was won by Mrs. Erma Arnsting.

Refreshments were served by the hospitality committee composed of Mrs. Laverne Dufner, Mrs. Ann Grant and Mrs. Joyce Barnes. The next regular meeting will be held March 3 and the annual sweetheart dance will take place Feb. 15 at the club.

MRS. BETTY WELSH HOSTESS AT "COFFEE"

A "Coffee for Chuck" was held in the home of Mrs. Betty Welsh, 2825 Dogwood drive.

The affair was in honor of Charles Percy, the GOP gubernatorial candidate, and Gene Perry, chairman, showed a film entitled "The new breed of Republican." Fifteen were present.

Venice School Board Purchases Curtain For Gym

The Venice school board Monday night approved purchase and installation of a new curtain for the stage of the Venice school gymnasium.

Voland Studios, St. Louis, will provide the curtain, which will cost \$914, including a bill bearing track. Sewing and installation will run \$324 for a total of \$1,238.

John Pier, superintendent, said the present curtain has been in use since 1937 and is "falling apart." He said he is uncertain when work will begin on the new curtain.

In other actions, the board approved the past month's bills, the highest being \$542 to the Aro-Dressel dairy for milk, and approved activity, revolving and restricted fund reports.

The balance in the activity fund was \$3452, compared to \$3687 at the beginning of the month. The revolving fund showed a balance of \$1538, compared to \$1959 last month. In January, \$2134 was collected for the restricted fund.

Cerebral Palsy Meetings

Approval was given by the board to the Catholic Youth Council of St. Mark's Church to use the Venice gym Feb. 23 for a benefit basketball game and to the Madison County Cerebral Palsy Association to hold a home economics room of Venice high school the first Tuesday of each month as a meeting place.

Fier said the attendance average was 90.38% for January and told the board that a school bus which received \$197 damage in a recent accident, will have to wait until summer to be repaired. "We need every bus we have in service, and its cost \$60 a day to rent one," he reasoned.

Fier announced to the board that it is invited to the Venice grade school basketball banquet which is scheduled for Feb. 20 at the school.

Monthly Sewer Reports On Public Display

On public display at the city hall office of Comptroller John Doehrer are the January financial reports for the seven separate accounts for the Nameoki sanitary sewer system.

A breakdown of the reports, presented to the council Monday night, showing the total receipts, total disbursements and Jan. 31 balances in that order, follows: Original construction—\$1,420,216; \$1,403,210 and \$15,006—\$190,900; \$112,082 and \$78,818.

Area two construction—\$404,557; \$392,824 and \$11,733. Sewer extension—\$164,356; \$108,717 and \$55,639.

Special sewer construction—\$8,685; \$84,909 and \$11,771. Original project sewage fund—\$813,770; \$815,848 and \$197,922.

Area two sewage fund—\$190,900; \$112,082 and \$78,818. Nameoki area sewers reserve—\$88,545 and none.

Accident Record Set In GC During January

January was a rough month in Granite City—accident-wise.

Instead of the usual three-a-day, the tempo topped four-a-day to total 134, the highest on record for any January, according to police records dating back two decades.

Personal injuries numbered 38 in the 134 crashes, but there were no fatalities in the month. In January 1963, Granite City had a total of 95 accidents with 22 injuries and no deaths. In December, however, there were 141 crashes in Granite City with 40 injuries and one death.

Crucial Hour On Fridays

The January accidents pinpointed Friday between the hours of 5 and 6 p.m. as the danger time.

During the month, 34 crashes were on Fridays and 12 were between 5 and 6 p.m.

Police statistics also show that nearly 30% of all the accidents occurring in the city last month were on Madison Avenue. They numbered 38, or more than one a day.

Also nearly a third of the accidents—42—involved a moving vehicle striking a parked car. It led all other types of crashes in the city, and police blame it on the narrow streets as well as carelessness.

The statistics also show there were 19 hit-run accidents in the city during January.

Man Pleads Not Guilty

Donald E. Humphrey, 29, of 2035 Sixth street, Madison, pleaded not guilty Monday to charges of driving while intoxicated and improper lane usage.

The case was released on \$350 property bond set by Magistrate Gasparovic pending a hearing on Feb. 19. He was involved in an auto accident Sunday night on Omaha street and Atlantic Avenue.

Case Under Advisement

Melvin Mathis, 43, of 2121 Cleveland Blvd., pleaded guilty Monday to criminal damage to property and disorderly conduct after he was arrested at 12:55 a.m. that day on a complaint signed by Naomi Mize. Magistrate Gasparovic took the case under advisement until Feb. 17 and Mathis was released on property bonds totaling \$250.

City Bills, Payroll Total \$37,865

A week's bills and half-month payroll, totaling \$37,865, were approved Monday night by Granite City council members.

The bills amounted to \$8140, while the payroll for the first half of February totaled \$31,725.

The bill list includes—\$1483 paid to East St. Louis & Interurban Water Co. for January rental on 359 fire hydrants; \$1750 to Illinois Power Co. for street lighting; \$2332 for the Illinois Municipal Retirement fund and \$829 for parts, fuel and maintenance of city equipment.

Allowances on the bill list were \$197 paid to Mayor Davis for January expenses, \$30 check to aldermen Edmund Bartosik, Steve Basarich and Mrs. Gabrielle Beline and \$20 to William McGee and \$17 paid to Victor H. Koenig and Floyd Mitchell for expenses in attending the Southern Illinois Civil Defense Association meeting in St. Louis.

Storm Door Glass Shot

Agnes Schwartz, 2115 Delmar Avenue, reported to Granite City police at 6:25 p.m. Monday that at 4:30 p.m. vandals shot what appeared to be bird shot and broke the front storm door glass at her home. The door contained nine holes but only one shot was heard, she told police.

Values Sought For Two Sites For Fire House

Authorization was given during Monday night's Granite City council session for three appraisers to be hired to set values on property under consideration for the location of the proposed new West Granite fire station.

Ford Johnson, chairman of the Fire and Water committee, estimated the cost of the appraisal at \$75. He said the committee is considering two sites, both approved by the National Board of Fire Underwriters.

The new station may be built either on the present site at Cayuga street and Rock road, where an additional 10 feet would be needed, or three blocks west along Rock road on the old Beckman farm property.
